Rule Revision and or Amendment Process

Before becoming effective, rules changes, amendments and or revisions must be authorized by the LatAm SEF Regulatory Oversight Committee and filed with the CFTC pursuant to Section 5c of the Act.

Initial Rule Submission Review Period

New rules and rule amendments, including amendments to the terms and conditions of an existing product, become effective pursuant to the certification of the SEF and notice of such certification to the SEF's members and market participants, on the date that is 10 business days after the date on which the Commission receives the certification unless the Commission extends the submission review period.

In implementing an extension, the Commission would notify the SEF, prior to the expiration of the 10 business days, that it is staying the certification because there exist novel or complex issues that require additional time to analyze, the certification is an inadequate explanation of the rule or rule amendment by the submitting SEF, or the certification presents a potential inconsistency with any provision of the Act or any of the Commission's regulations thereunder.

Extended Submission Review Period

The Commission may notify the SEF that it is staying a certified rule or rule amendment for as many as 90 calendar days from the date of the notification. A rule or rule amendment subject to a stay becomes effective, pursuant to the certification of the SEF, at the expiration of the additional 90-day period unless the Commission withdraws the stay prior to that time or the Commission notifies the registered entity during the additional 90-day period that it objects to the proposed certification on the grounds that it is inconsistent with any provision of the Act or any of the Commission's regulations thereunder.

Important Note: Comments received in response to this Notice may be made available to the public on LatAm SEF's website.

Questions concerning this Notice should be directed to Sandra Armstrong, Chief Compliance Officer at (646) 344-3267 or Joseph Skelly, Corporate Communications at (646) 344-3274.

Counterparties to a Block Trade are permitted to initiate trades to hedge or offset the risk associated with the Block Trade following the consummation of the Block Trade, including during the period preceding the public report of the Block Trade by the SEF.

511. Suspense Accounts and Orders Eligible for Post-Execution Allocation

A suspense account may be used at the time of entry of an Order or Request for Quote provided that a contemporaneous electronic or written record of the Order or Request for Quote with the account designation is made, time-stamped and maintained in accordance with the Rules, and provided that the correct account designation is provided to the Clearing Firm prior to the end of the trading day. A suspense account may also be used at the time of entry for bunched Orders or

Requests for Quote that are eligible for post-trade allocation and that are executed and allocated in accordance with CFTC Regulation 1.35(b)(5).

512. Execution Methods

The following execution methods are available on the Trading System. Execution methods are enabled by Swap transaction type (Required Transaction or Permitted Transaction) at the discretion of the SEF, with the exception of Hit/Lift Click Trading, which is available for all Swaps.

- (1) Central Limit Order Book. The Central Limit Order Book is a database of Orders entered on the Trading System through an order entry ticket. Orders in the Central Limit Order Book are subject to pre-trade credit checks, and execution via a manually executed trading method under which Authorized Persons can post Orders and Indicative Orders, transact with Orders and initiate negotiations with respect to Indicative Orders. Orders for a Swap in the Central Limit Order Book are displayed in price/time priority, placing (a) Orders with the best price above those at the next-best price; and (b) Orders with the same price in order of time received from oldest to most recent. Indicative Orders may either feature size and/or price details or include no details on price and reflect a default size that is established by the Trading System. Indicative Orders and Orders must be subject to negotiation, modification and approval by an Authorized Person in order to become tradable firm Orders.
- (2) Request for Quote. A Request for Quote is a price discovery method whereby an Authorized Person solicits firm and executable quotes for a Swap. Recipients can be selected from a list of other Authorized Persons currently logged on to the Trading System, the number of which must be equal to or greater than the minimum number of market participants required by and counted according to CFTC Regulations. Market participant responses are optional and voluntarily. Responses are displayed to the quote solicitor along with any firm resting Bid or Offer in the same instrument from the Trading System's Central Limit Order Book. Quote solicitors can execute against market participant responses and against any firm bid or offer in the same instrument resting on the SEF's Central Limit Order Book.
- (3) Volume-Match Trading. Volume-Match Trading is an execution method whereby, over a fixed-length session, one or more Swap(s) can be traded at a transparent, fixed price that is determined by market survey prior to the matching session. In a Volume-Matching session, Authorized Persons can enter Order size and side. Orders are matched utilizing a non-discretionary automated trade matching algorithm. Prior to the matching auction, one of the following automated trade matching algorithms will be disclosed to Trading Privilege Holders and then applied to the auction. Once the auction is initiated, the matching algorithm cannot be changed.
 - (a) Real-time matching based on time priority (First In, First Out, or "FIFO").
 - (b) Real-time matching based on volume priority. In the event that a stack of Orders exists on one side of the market, they are matched against new Orders on the other side of the market in order of largest to smallest.
 - (c) End-of-session matching based on time priority (First In, First Out, or "FIFO").
 - (d) End-of-session matching based on volume priority in order of largest to smallest.

513. Error Handling

- (1) If a Trading Privilege Holder believes that a Bid/Offer to transact in one or more Swaps was incorrectly displayed and/or executed and/or reported, that Trading Privilege Holder may request review of the Bid/Offer or the Transaction.

- (2) A request for review that is made by a Trading Privilege Holder must be made as soon as practicable but in no event after the end of the Business Day in which such Transaction took place. Upon receipt of a request for review of a Bid/Offer, the SEF will review its records to determine if the Trading System correctly displayed and/or executed the Bid/Offer.
- (3) If the review described in this Rule reveals that the Trading System or a Voice Specialist made a material mistake or that a mistake occurred as a result of a malfunction in the Trading System or by human error, the Transaction will be canceled or adjusted, as appropriate.
- (4) If the review described in this Rule reveals that neither the Trading System nor a Voice Specialist made a mistake, the SEF will inform the Trading Privilege Holder who requested the review that the SEF has determined that the Bid/Offer was properly handled, the evidence supporting that determination, and that an adjustment will not be made.
- (5) The SEF will document in writing all requests for review of Bids/Offers received by the SEF, the time and manner in which SEF reviewed its electronic audit trail in response to the request, the outcome of that review, and the action or actions taken by the SEF in response to that review.

514. Cancellations

- (1) The SEF may, at its sole discretion, cancel any Transaction that it believes allowing to stand as executed could have a material, adverse effect on the integrity of the market or is necessary to mitigate market disrupting events caused by the improper or erroneous use of the Trading System or by system defects. All decisions of the SEF to cancel a Transaction shall be final. The SEF shall not have any liability for losses resulting from Transaction cancellations under this Rule. The SEF retains exclusive authority over all decisions involving the cancellation of Transactions.
- (2) The SEF may determine to review a Transaction based on its independent analysis of market activity or upon request for review by a Trading Privilege Holder or Authorized Person of the SEF. A request for review that is made by a Trading Privilege Holder must be made as soon as practicable but in no event after the end of the Business Day in which such Transaction took place. The SEF shall determine whether or not a Transaction will be subject to review at its sole discretion. Upon deciding to review a Transaction, the SEF will promptly issue an alert to involved Trading Privilege Holders via the Trading System or electronic mail indicating that the Transaction is under review.
- (3) If the SEF determines that a Transaction has been executed at a price that is not representative of the market for the Swap, the SEF may declare the Transaction invalid.
- (4) A decision by the SEF to cancel a Transaction will be made as soon as practicable, and the SEF shall notify Trading Privilege Holders and the Swap Data Repository of any such decision.

515. Confirmations

The SEF shall provide each Counterparty to a Swap with a written record of all of the terms of the Swap which shall serve as a Confirmation of the Swap. With respect to certain products, Transactions and Trading Privilege Holders, such Confirmation may be provided on the SEF's behalf by MarketSERV's Organized Trading Venue (OTV) Confirmation Service or other similar confirmation services.

- (1) Cleared Swaps

- (a) For Cleared Swaps, the SEF will provide the Trading Privilege Holder a Confirmation of all the terms of each transaction executed on the SEF at the same time as the swap transaction is accepted for clearing, as defined in CFTC Regulation § 23.501(4)(ii), provided that where a Trading Privilege Holder is a Customer in an Intermediated Transaction, the confirmation will be provided to the Intermediary in accordance with paragraph (3). The Confirmation provided by the SEF for Cleared Swaps will be the final legally binding confirmation of the terms of any transaction executed on the SEF and will supersede any conflicting confirmation or agreement provided to, or between, as applicable, Participants and Customers, regardless of when such other confirmation is provided.
 - (b) A Swap that is effected as a Block Trade shall be confirmed by the SEF promptly after it is reported to the SEF pursuant to Rule 510(3)(e) and cleared pursuant to Rule 601.
- (2) Uncleared Swaps
- (a) The economic terms specific to the Transaction agreed by Participants and/or Sponsored Access Participants with respect to an Uncleared Swap shall be reflected by the SEF in a written communication (the “Trade Communication”) sent to the applicable Trading Privilege Holders that are party to such Uncleared Swap, provided that where a Trading Privilege Holder is a Customer in an Intermediated Transaction, the confirmation will be provided to the Intermediary in accordance with paragraph (3). The Trade Communication, together with the documents and agreements (including, without limitation, ISDA master agreements, other master agreements, terms supplements, master Confirmation agreements, and incorporated industry definitions) governing such Uncleared Swap existing at the time of such commitment to which such Participants and/or Sponsored Access Participants are party (the “Terms Incorporated by Reference”) shall, taken together, for purposes of CFTC Regulation 37.6(b) comprise all of the terms of such Transaction and serve as a Confirmation of such Transaction (the Trade Communication and Terms Incorporated by Reference, together, the “Confirmation”).
 - (b) In satisfaction of the obligations imposed on the SEF under CFTC Regulation 37.6(b), (i) each Trade Communication is deemed to incorporate the Terms Incorporated by Reference set forth in this Rule 515, and (ii) the Participants and/or Sponsored Access Participants that are party to the Uncleared Swap referenced in such Trade Communication hereby agree that the provisions of paragraph (3) shall govern any conflicting terms.
 - (c) In the event of any conflict between (x) the Trade Communication and (y) the Terms Incorporated by Reference, the Trade Communication shall prevail to the extent of the inconsistency.
- (3) Intermediated Transactions. Each Trading Privilege Holder authorizes the SEF to send Confirmations of Swaps that are effected through an Intermediary to such Intermediary and authorizes such Intermediary to accept such Confirmations on behalf of the Trading Privilege Holder.

516. Incentive Programs

- (1) The SEF may establish programs for Trading Privilege Holders that provide financial incentives for meeting trading volume or revenue thresholds, as established by the SEF.
- (2) All Trading Privilege Holders are eligible for discounts, provided that they meet the terms of the relevant program.

Chapter 6. Clearing

601. Clearing Required

- (1) All Participants and Sponsored Access Participants must clear all Swaps that are required to be cleared under Section 2(h)(1) of the CEA and CFTC Regulation § 39.5; provided, however, the clearing requirement in this Rule 601 will not apply if at least one Participant or Sponsored Access Participant that is a Counterparty to a Transaction is an end-user and that party elects the end-user exception from mandatory clearing that is available under the CEA.
- (2) Each Participant and each Sponsored Access Participant shall be responsible for determining whether any Swap it enters into is subject to the mandatory clearing requirements of Section 2(h)(1) of the Act.
- (3) The SEF shall have no responsibility for determining whether a Swap is subject to mandatory clearing or whether an exemption from such a requirement is available, and no conclusion as to either matter should be made as a result of the SEF allowing a Swap transaction to be executed on the Trading System.
- (4) Each Participant and Sponsored Access Participant that is neither a Clearing Firm nor an Intermediary must obtain prior authorization from a Clearing Firm that will guarantee the Participant's or Sponsored Access Participant's Transactions in Cleared Swaps, or enter into an appropriate arrangement with a Person that has such an authorization from a Clearing Firm. Where such Participant or Sponsored Access Participant utilizes the services of multiple Clearing Firms, a Clearing Firm shall only be responsible to the extent that it has been designated to clear a particular Cleared Swap.
- (5) Each Participant that is an Intermediary shall obtain from each Customer for whom it is acting, confirmation from such Customer that it is a Clearing Firm or that it has obtained prior authorization from a Clearing Firm that will guarantee Customer's Transactions in Cleared Swaps or enter into an appropriate arrangement with a Person that has such an authorization from a Clearing Firm. Where a Customer uses the services of multiple Clearing Firms, a Clearing Firm shall be responsible only to the extent that it has been designated by such Customer to clear a particular Cleared Swap.
- (6) A Clearing Firm may at any time revoke any authorization granted and guarantee made by it by providing written notice of such revocation to the SEF.
- (7) A Participant or Sponsored Access Participant will only execute a Cleared Swap on the Trading System if the Participant or Sponsored Access Participant has delivered to the SEF all information necessary to permit the SEF to submit the Swap for clearing.
- (8) The SEF will facilitate pre-execution checks by Clearing Firms for compliance with Risk-Based Limits, and will issue notices to Clearing Firms, Participants and Sponsored Access Participants relating thereto.
 - (a) Consistent with and to the extent required by CFTC Regulations (including CFTC Regulations 1.73 and 23.609):
 - (i) Each Clearing Firm that is a Participant or Sponsored Access Participant shall establish Risk-Based Limits in its proprietary account;
 - (ii) Each Clearing Firm, whether or not a Participant or Sponsored Access Participant, shall establish Risk-Based Limits in each of its Customer accounts; and

- (iii) Each Clearing Firm shall to the extent practicable use automated means to screen Orders that it has authorized a Participant or Sponsored Access Participant to execute electronically and shall establish and maintain systems of risk controls reasonably designed to ensure compliance with Risk-Based Limits for all other Orders.
 - (b) Prior to entering any Order for a Cleared Swap, each Participant or Sponsored Access Participant that is acting as principal shall take reasonable steps to verify that such Order, if executed, would not exceed the Risk-Based Limits established by the Participant or Sponsored Access Participant's Clearing Firm.
 - (c) Prior to entering any Order for a Customer for a Cleared Swap, each Participant that is acting as Broker shall require its Customer to take reasonable steps to verify that such Order, if executed, would not exceed the Risk-Based Limits established by the Customer's Clearing Firm.
- (9) Failure to Clear – Risk-Based Limits. Upon receipt by the SEF of notice from a Derivatives Clearing Organization that a Swap, whether or not subject to mandatory clearing, has been rejected for clearing for violation of a Risk-Based Limit, the Swap will be deemed to be void *ab initio* under these Rules and the SEF will promptly notify the parties to such Swap.
- (10) Failure to Clear – Other Causes. Upon receipt by the SEF of notice from a Derivatives Clearing Organization that a Swap, whether or not subject to mandatory clearing, has been rejected for clearing for reasons other than violation of a Risk-Based Limit, the SEF will promptly notify the parties to such Swap and disclose to each party the identities of its Counterparty and the Counterparty's Clearing Firm. The parties and their Clearing Firms shall in such a case (and after obtaining the consent of their Customers, if applicable) resubmit the Swap to the DCO for clearing. Such submission must be made as soon as technologically practicable after receipt by the parties and their Clearing Firms of a rejection notice from the DCO as and to the extent permitted by the rules of the DCO. The parties and their Clearing Firms must notify the SEF of all of the details of such resubmission as soon as technologically practicable thereafter. If, after such resubmission, the DCO notifies the parties and their Clearing Firms that the Swap that has been resubmitted will not be accepted for clearing, the parties and their Clearing Firms shall so notify the SEF, no further resubmissions may be made and the Swap shall be deemed to be void *ab initio* under these Rules.

602. Daily Settlement Price

- (1) Daily Settlement Prices shall be determined each Business Day for each Swap pursuant to one or more of the procedures set forth in this Rule 602. The procedure used to determine the Settlement Price of a Swap will depend on the product group, level of activity and liquidity during the defined closing time period, and/or the Source Agency used to derive the Settlement Price.
 - (a) Derivatives Clearing Organization: The daily Settlement Price of certain Swaps may be determined pursuant to the rules of the relevant DCO.
 - (b) Source Agency: The daily Settlement Price of certain Swaps may be determined by an identified Source Agency.
 - (c) Midpoint of Closing Range: In Swaps that use this procedure, the first trade and all subsequent trades, higher Bids and lower Offers that are quoted during the established closing time periods for a particular Swap will be included in the closing range. The midpoint of the high and low quotes in the closing range will be the Settlement Price. If no trade occurs during the defined closing period, the last quote of the day (trade, higher Bid, lower Offer) will be the Settlement Price.

In the event that there are no valid quotes during the day, the Settlement Price will be the prior day's Settlement Price.

- (d) Bid/Ask Midpoint at the Close. In Swaps that use this procedure, the midpoint of the Bid/Offer at the defined closing time will be the Settlement Price.
- (2) Notwithstanding anything to the contrary herein, if a Settlement Price in any product, as derived by the normal methodology used for a particular Swap, is inconsistent with trades, Bids or Offers in other relevant markets, or if there is no relevant market activity, the Chief Executive Officer or his or her designee, may establish a Settlement Price that best reflects the true market valuation at the time of the close.

Chapter 7. Business Conduct

701. Rule Violations

It shall be a violation of these Rules for a Trading Privilege Holder or Authorized Person to violate any agreement made with the SEF.

702. Market Abuse Detection

The SEF has systems and measures in place to monitor compliance with the Rules, including, but not limited to disorderly trading conditions and conduct that may involve market abuse. A Trading Privilege Holder or Authorized Person demonstrating improper trading activity or attempts to manipulate the market may be suspended or excluded from using the SEF.

703. Supervision

Each Trading Privilege Holder shall be responsible for establishing, maintaining and administering supervisory procedures that are reasonably designed to ensure that its Authorized Persons and its associated persons, if any, comply with these Rules, and may be held accountable for the actions of such Authorized Persons and Associated Persons.

704. Just and Equitable Principles of Trade

It shall be a violation of these Rules for a Trading Privilege Holder or Authorized Person to engage in conduct inconsistent with just and equitable principles of trade.

705. Misuse of the Platform

Misuse of the Trading System is prohibited. It shall be deemed an act detrimental to the welfare of the SEF to engage in unauthorized use of the Trading System, to assist any Person in obtaining unauthorized access to the SEF Trading System, to alter the equipment associated with the Trading System, to interfere with the operation of the Trading System, to intercept or interfere with information provided thereby, or in any way to use the SEF in a manner contrary to the Rules.

706. Withholding Orders Prohibited

Any Trading Privilege Holder or Authorized Person entering Orders on the SEF for a Customer shall not withhold or withdraw from the market any Order, or any part of an Order, for the benefit of any Person other than such Customer. A Trading Privilege Holder or Authorized Person must enter into the Trading System all Orders and RFQs received from its Customers that are immediately executable as soon as practicable following receipt.

707. Prohibited Trading Conduct

It shall be a violation of these Rules for a Trading Privilege Holder to engage in any of the following prohibited trading conduct:

- (1) Fraudulent Acts. No Trading Privilege Holder or Authorized Person shall engage in any fraudulent act or engage in any scheme to defraud, deceive, trick or mislead another person in connection with or related to any Trade on or other activity related to the SEF.
- (2) Fictitious Transactions. No Trading Privilege Holder or Authorized Person shall engage in fictitious transactions, improper cross-trading, accommodation trading or execute any such Order with knowledge of its nature as any of the foregoing.

- (3) Market Disruption. Orders entered into the SEF for the purpose of upsetting the equilibrium of the market in any Swap or creating a condition in which prices do not or will not reflect fair market values are prohibited, and any Trading Privilege Holder or Authorized Person who makes or assists in entering any such Order with knowledge of the purpose thereof or who, with such knowledge, in any way assists in carrying out any plan or scheme for the entering of any such Order will be deemed to have engaged in an act detrimental to the SEF.
- (4) Market Manipulation. No Trading Privilege Holder or Authorized Person shall manipulate or attempt to manipulate the market in any Swap.
- (5) Disruptive Trading Practices. No Trading Privilege Holder or Authorized Person shall engage in any trading practice or conduct that constitutes a “disruptive trading practice,” as such term is described in Section 4c(a)(5) of the CEA, CFTC Regulations and any interpretations issued thereunder.
- (6) Misstatements of Material Fact. It shall be a violation of these Rules for a Trading Privilege Holder or Authorized Person to make any knowing misstatement of a material fact to the SEF or knowingly to omit to state a material fact necessary in order to make the statement made, in the light of the circumstances under which they were made, not misleading.
- (7) Disclosing Orders. Except as otherwise permitted by these Rules, no Trading Privilege Holder or Authorized Person shall disclose to any Person the terms of any Order prior to its entry into the SEF, except to (a) an employee or agent of the same Trading Privilege Holder for the sole purpose of executing or recording such Order, (b) a SEF official, or (c) any regulatory or self-regulatory organization with jurisdiction over the SEF or such Trading Privilege Holder.
- (8) Front-Running. No Trading Privilege Holder or Authorized Person shall enter an Order into the SEF for its own account when such Trading Privilege Holder or Authorized Person knows that he is in possession of an Order for the same instrument that has not been executed, cancelled or expired.
- (9) Wash Sales. No Trading Privilege Holder or Authorized Person shall buy and sell a Swap, place or accept buy and sell Orders in the same Instrument, or knowingly execute or accommodate the execution of such Orders by direct or indirect means, if the Trading Privilege Holder or Authorized Person knows or reasonably should know that the purpose of the Transaction is to avoid taking a bona fide market position exposed to market risk. Buy and sell Orders for different Customers with common Beneficial Ownership that are entered with the intent to negate market risk or price competition shall also be deemed to violate this Rule.
- (10) “Money passing,” Pre-Arranged, Pre-Negotiated and Noncompetitive Transactions. (a) No Trading Privilege Holder or Authorized Person may enter an Order for the purpose of entering into the position without a net change in either party’s open positions but a resulting profit to one party and a loss to the other party, commonly known as a “money pass,” and (b) no Trading Privilege Holder or Authorized Person shall pre-arrange or pre-negotiate any purchase or sale or noncompetitively execute any Required Transaction other than a Block Trade that is executed in accordance with Rule 510, or any Permitted Transaction that is executed in accordance with Rule 508.
- (11) Trading Against Customer Orders. No Trading Privilege Holder or Authorized Person in possession of a Customer Order shall knowingly take, directly or indirectly, the opposite side of such Order for its own account, an account in which it has a direct or indirect financial interest, or an account over which it has discretionary trading authority.

708. Position Limits

- (1) The SEF may set and enforce such position limits or position accountability levels with respect to each Swap executed on or pursuant to the Rules as the SEF deems necessary to reduce the threat of market manipulation or congestion.
- (2) The SEF hereby adopts the Commission's position limits for any Swap for which the Commission has adopted a Position Limit. In no event will the SEF set its position limits at a level higher than the Commission's Position Limits.
- (3) For Permitted Transactions, the SEF may set and enforce position accountability levels or send the Commission a list of the Permitted Transactions transacted on the SEF.
- (4) All Trading Privilege Holders and Authorized Persons must comply with all SEF and Commission requirements regarding Position Limits or position accountability levels.
- (5) Each Trading Privilege Holder and each Authorized Person required to file any report, statement, form or other information with the Commission pursuant to Commission Regulations concerning any Swap or commodity underlying a Swap of or relating to the SEF must simultaneously file a copy of such report, statement, form or other information with the SEF. Such information shall include, for Trading Privilege Holders who are Intermediaries, information concerning the Customers for which Transactions are made on the SEF.
- (6) Any Trading Privilege Holder or Authorized Person who exceeds a SEF or Commission position limit by entering into a Transaction on the SEF shall be deemed in violation of the Rules of the SEF. In addition, any Trading Privilege Holder, Authorized Person, or Customer entering Bids or Offers, if accepted, which would cause that Trading Privilege Holder, Authorized Person, or Customer to exceed the applicable SEF or Commission position limit, shall be in violation of the Rules of the SEF.
- (7) Without limiting any provision of these Rules, the SEF shall have the authority to obtain from any Trading Privilege Holder or their Authorized Persons on request, information with respect to all positions of such Trading Privilege Holder or Customer in Swaps which are equivalent, for purposes of SEF or Commission position limits, to those transacted in by the Trading Privilege Holder on the SEF.
- (8) For purposes of this Rule 708, positions in Swaps shall be aggregated in accordance with CFTC regulations.

Chapter 8. Discipline and Enforcement

801. General

- (1) Trading Privilege Holders and other Persons within the SEF's jurisdiction are subject to this Chapter 8 if they are alleged to have violated, to have aided and abetted a violation of, to be violating, or to be about to violate, any Rule of the SEF or any provision of Applicable Law for which the SEF possesses disciplinary jurisdiction.
- (2) Except when the Board reserves responsibility for an inquiry or investigation to itself or delegates its responsibility to a committee of the Board, the SEF will conduct inquiries, investigations, Disciplinary Proceedings and appeals from Disciplinary Proceedings, summary impositions of fines, summary suspensions or other summary actions in accordance with this Chapter 8.
- (3) The SEF may delegate any or all of its powers or responsibilities under this Chapter 8 to the Compliance Department, which may take any actions on behalf of the SEF that the SEF is permitted to take hereunder. In the event of any such delegation, references to the SEF in this Chapter 8 shall be construed to be references to the Compliance Department. The Compliance Department will maintain an enforcement staff that will effectively and promptly prosecute violations in accordance with this Chapter 8. The enforcement staff may not include Persons that are associated with Trading Privilege Holders or with Persons whose interests conflict with their enforcement duties. Further, a member of the enforcement staff may not operate under the direction or control of any Person with Trading Privileges. Any reference to the Compliance Department in this Chapter 8 shall also be a reference to the enforcement staff.
- (4) Any member of the Compliance Department must promptly recuse himself or herself and notify the Chief Compliance Officer of the recusal if such member has a relationship of a type listed in Rule 208(1)(a) with a potential respondent in an investigative report.
- (5) No member of the staff of the SEF will interfere with or attempt to influence the process or resolution of any inquiry, investigation, Disciplinary Proceeding, appeal from a Disciplinary Proceeding, summary imposition of fines, summary suspension or other summary action. No member of the Board will interfere with or attempt to influence the process or resolution of any inquiry, investigation, Disciplinary Proceeding, appeal from a Disciplinary Proceeding, summary imposition of fines, summary suspension or other summary action with respect to which the Board member is not a member of the relevant Review Panel, Disciplinary Panel or Appeal Panel.
- (6) Upon being served with a notice of charges, the respondent may be represented by counsel or any other representative of its choosing, at its own expense, in all succeeding stages of the disciplinary process pursuant to this Chapter 8.
- (7) Pursuant to this Chapter 8, the SEF may hold:
 - (a) A Participant liable, and impose sanctions against such Participant, for such Participant's own acts and omissions that constitute a violation of Applicable Law;
 - (b) A Participant liable, and impose sanctions against such Participant, for the acts and omissions of each Sponsored Access Participant or other agent or representative of such Participant that constitute a violation of Applicable Law as if such violation were that of the Participant;
 - (c) A Sponsored Access Participant or Authorized Person liable, and impose sanctions against such Person, for such Sponsored Access Participant's or

Authorized Person's own acts and omissions that constitute a violation of Applicable Law; and

- (d) A Sponsored Access Participant liable, and impose sanctions against it for the acts and omissions of each agent or representative of such Sponsored Access Participant that constitute a violation of Applicable Law as if such violation were that of the Sponsored Access Participant or Authorized Person.
- (8) The Board shall appoint individuals at the recommendation of the Chief Compliance Officer to serve for a term of one year subject to reappointment, removal or replacement by the Board, as potential participants on Review Panels, Disciplinary Panels and Appeal Panels. The term of an individual selected as a member of a Review Panel, Disciplinary Panel or an Appeal Panel will not expire until the relevant Disciplinary Proceedings are complete. No member of the Compliance Department may be a participant on a Review Panel, Disciplinary Panel or Appeal Panel.

802. Inquiries and Investigation

- (1) The Compliance Department will investigate any matter within the SEF's disciplinary jurisdiction that is brought to the attention of the Compliance Department. An investigation must be commenced upon the receipt of a request from the CFTC staff or upon the discovery or receipt of information by the SEF that, in the judgment of the Compliance Department, indicates a reasonable basis for finding that a violation has occurred or will occur. The Compliance Department will determine the nature and scope of its inquiries and investigations within its sole discretion.
- (2) The Compliance Department has the authority to:
 - (a) Initiate and conduct inquiries and investigations;
 - (b) Prepare investigative reports and make recommendations concerning the initiation of Disciplinary Proceedings; and
 - (c) Prosecute alleged violations within the SEF's disciplinary jurisdiction; and
 - (d) Represent the SEF on appeal from any Disciplinary Proceeding, summary imposition of fines, summary suspension or other summary action.
- (3) Each Trading Privilege Holder or other Person subject to the SEF's jurisdiction:
 - (a) Is obligated to appear and testify and respond in writing to inquiries within the time period required by the Compliance Department in connection with (i) any Rule of the SEF; (ii) any inquiry or investigation; or (iii) any preparation by and presentation during a Disciplinary Proceeding or appeal from a decision in a Disciplinary Proceeding, summary imposition of fines, summary suspension or other summary action by the SEF;
 - (b) Is obligated to produce books, records, papers, documents or other tangible evidence in its, his or her possession, custody or control within the time period required by the Compliance Department in connection with (i) any Rule of the SEF; (ii) any inquiry or investigation; or (iii) any preparation by and presentation during a Disciplinary Proceeding or appeal from a decision in any Disciplinary Proceeding, summary imposition of fines, summary suspension or other summary action by the SEF; and
 - (c) May not impede or delay any inquiry, investigation, Disciplinary Proceeding, appeal from a Disciplinary Proceeding, summary imposition of fines, summary suspension or other summary action.

803. Reports of Investigations

- (1) The Compliance Department will maintain a log of all investigations and their disposition. Any member of the Compliance Department must promptly recuse himself or herself and notify the Chief Compliance Officer of the recusal if such member has a relationship of a type listed in Rule 208(1)(2) with a potential respondent named in an investigative report. The Compliance Department will prepare a written report of an investigation for the Chief Compliance Officer when the evidence gathered during any inquiry or investigation forms a reasonable basis to believe that a violation within the SEF's jurisdiction has occurred or is about to occur. Any such written investigation report will include the following information:
 - (a) The reason(s) for initiating the investigation;
 - (b) A summary of the complaint, if any;
 - (c) All relevant facts and evidence gathered;
 - (d) The Compliance Department's analysis and conclusions; and
 - (e) The recommendation of the Compliance Department as to whether disciplinary action should be pursued.
- (2) For each potential respondent, the Compliance Department will recommend any one of the following actions:
 - (a) Closing the investigation without further action;
 - (b) Resolving the investigation through an informal disposition, including the issuance of a warning letter; or
 - (c) Initiating Disciplinary Proceedings.
- (3) If the Compliance Department determines that no reasonable basis exists for finding a violation, then the written investigation report will include the following information:
 - (a) The reasons for initiating the investigation;
 - (b) A summary of the complaint, if any;
 - (c) All relevant facts and evidence gathered;
 - (d) The Compliance Department's analysis and conclusions; and
 - (e) A copy of any recommended warning letter as well as the Trading Privilege Holder's disciplinary history at the SEF.
- (4) After reviewing the Compliance Department's written investigation report, the Chief Compliance Officer will either:
 - (a) Determine to proceed with the Compliance Department's recommendation to close the investigation without further action, or to resolve the investigation through an informal disposition, if such a recommendation has been made;
 - (b) Forward the investigation report to a Review Panel to determine whether further action with respect to the matters discussed therein is warranted; or

- (c) Determine to proceed with the Compliance Department's recommendation to initiate Disciplinary Proceedings, if such a recommendation has been made.
- (5) Each Compliance Department investigation must be completed in a timely manner. Absent mitigating factors, a timely manner is no later than 12 months after the date that an investigation is opened. Mitigating factors that may reasonably justify an investigation taking longer than 12 months to complete include the complexity of the investigation, the number of firms or individuals involved as potential wrongdoers, the number of potential violations to be investigated, and the volume of documents and data to be examined and analyzed.
- (6) In addition to any of the actions permitted pursuant to this Rule 803, the Compliance Department may issue a warning letter to the potential respondent. Such warning letter, if issued, shall not be construed as a penalty or an indication that a finding of a violation has been made. No more than one warning letter for the same potential violation may be issued to the same potential respondent during any rolling 12-month period.

804. Review Panel

- (1) The Chief Compliance Officer may, at his or her discretion, convene a Review Panel to review an investigation report submitted by the Compliance Department to determine whether (i) a reasonable basis exists to believe that a violation of the Rules has occurred, and (ii) commencing Disciplinary Proceedings in respect of such potential violation is warranted. The chairman of the Review Panel shall be appointed by the Chief Compliance Officer.
- (2) The Review Panel will review the completed investigation report promptly after receipt thereof and, within 20 days of such receipt, take one of the following actions:
 - (a) If the Review Panel determines that additional investigation or evidence is needed, the Review Panel shall promptly direct the Compliance Department to conduct such further investigation;
 - (b) If the Review Panel determines that no reasonable basis exists for finding a violation or that prosecution is otherwise unwarranted, the Review Panel may direct that no further action be taken. Such determination must be in writing, and must include a written statement setting forth the facts and analysis supporting the decision; or
 - (c) If the Review Panel determines that a reasonable basis exists for finding a violation and adjudication is warranted, it must direct that the person or entity alleged to have committed the violation be served with a notice of charges.
- (3) Any member of the Review Panel must promptly recuse himself or herself and notify the Chief Regulatory Officer of the recusal if such member has a relationship of a type listed in Rule 208(1)(2) with a potential respondent in an investigative report.
- (4) The Review Panel shall be comprised of three individuals, at least one of whom would qualify to serve as a Public Director under CFTC Regulations. In forming a Review Panel, the Chief Compliance Officer shall draw panel members from the individuals appointed by the Board as potential members of Review Panels. No group or class of Trading Privilege Holders may dominate or exercise disproportionate influence on a Review Panel, and no member of the Review Panel may participate in deliberations or voting on any matter in which he or she has a financial, personal or other direct interest. A Review Panel may not include any person involved in adjudicating any other stage of the same proceeding. If a vacancy shall occur on a Review Panel after it has begun its proceedings, the remaining members shall complete consideration and disposition of the matter. Once a Review Panel has determined the matter for which it was appointed and

has notified the Chief Compliance Officer in writing of its decision, it shall be dissolved automatically. The Regulatory Oversight Committee may, at any time, remove any member of a Review Panel for cause.

805. Notice of Charges

- (1) If the Chief Compliance Officer or Review Panel authorizes the initiation of Disciplinary Proceedings, the Compliance Department will prepare, and serve in accordance with Rule 807, a notice of charges.
- (2) A notice of charges must:
 - (a) Adequately state the acts, practices or conduct that the respondent is alleged to have engaged in;
 - (b) State the Rule(s) or provision(s) of Applicable Law alleged to have been violated or about to be violated;
 - (c) Advise the respondent of its right to a hearing;
 - (d) State the period of time within which the respondent can request a hearing on the notice of charges, which will not be less than 20 days after service of the notice of charges;
 - (e) Advise the respondent that any failure to request a hearing within the period stated, except for good cause, will be deemed to constitute a waiver of the right to a hearing; and
 - (f) Advise the respondent that a failure to answer or to expressly deny a charge may be deemed to be an admission of such charge.
- (3) Upon being served with a notice of charges, the respondent has the right to be represented by legal counsel or any other representative of its choosing in all succeeding stages of the Disciplinary Proceedings, other than a Board member, Director, member of an applicable Disciplinary Panel, SEF employee or other person substantially related to the underlying investigation.

806. Answer to Notice of Charges

- (1) If the respondent determines to answer a notice of charges, the respondent must file a written answer within 20 days after being served with such notice, or within such later time period determined appropriate by the Chairman of the Disciplinary Panel.
- (2) To answer a notice of charges, the respondent must in writing:
 - (a) Specify the allegations that the respondent denies or admits;
 - (b) Specify the allegations that the respondent does not have sufficient information to either deny or admit;
 - (c) Specify any specific facts that contradict the notice of charges;
 - (d) Specify any affirmative defenses to the notice of charges; and
 - (e) Sign and serve the answer on the Disciplinary Panel.

- (3) Any failure by the respondent to timely serve a written answer to a notice of charges will be deemed to be an admission to the allegations in such notice. Any failure by the respondent to answer or expressly deny one or more allegations in a notice of charges will be deemed to be an admission of that allegation or those allegations. A general denial by the respondent, without more, will not satisfy the foregoing requirements.
- (4) If a respondent admits or fails to specifically deny any of the allegations in the notice of charges, the Disciplinary Panel shall find that the violations set forth in such allegations have been committed and shall impose a sanction for each such violation. The Disciplinary Panel shall promptly notify the respondent in writing of any sanction to be imposed pursuant to this Rule 806(4) and advise the respondent that it may request a hearing on such sanction within the time period specified in the notice. The failure to request such a hearing within such time period shall be deemed to constitute an acceptance of such sanction. Any hearing pursuant to this Rule 806(4) shall be concerned only with the sanction(s) imposed by the Disciplinary Panel pursuant to this Rule 806(4).

807. Service of Notice

Any notice of charges or other documents contemplated to be served pursuant to this Chapter 8 may be served upon the respondent either personally or by leaving the same at the respondent's place of business during business hours or by deposit with the United States post office, postage prepaid via registered or certified mail, or by overnight delivery, addressed to the respondent at the respondent's last known place of business or residence.

808. Settlements

- (1) At any time after a notice of charges has been issued, the respondent may propose in writing an offer of settlement to anticipated or instituted Disciplinary Proceedings. Any offer of settlement must contain proposed findings and sanctions and be signed by the respondent or potential respondent and submitted to the Compliance Department. A respondent or potential respondent may offer to settle Disciplinary Proceedings without admitting or denying the findings contained in the order of the Disciplinary Proceedings, but must accept the jurisdiction of the SEF over it and over the subject matter of the proceedings and consent to the entry of the findings and sanctions imposed under such offer of settlement.
- (2) The Disciplinary Panel may accept the offer of settlement, but may not alter the terms of a settlement offer unless the respondent or potential respondent agrees.
- (3) If an offer of settlement is accepted, the Disciplinary Panel must issue a written decision specifying the rule violations that the presiding panel has reason to believe were committed, including the basis or reasons for the presiding panel's conclusions, and any sanction to be imposed, which shall include full Customer restitution where Customer harm is demonstrated. Should an offer of settlement be accepted by the Disciplinary Panel without the agreement of the Compliance Department, such written decision must adequately support the Disciplinary Panel's acceptance of the settlement. If applicable, such written decision must also include a statement that the respondent has accepted the sanctions imposed without either admitting or denying the rule violations.
- (4) The respondent or potential respondent may withdraw his or her offer of settlement at any time before final acceptance by the presiding panel.
- (5) If the offer of settlement of a respondent or potential respondent is not accepted, fails to become final or is withdrawn before final acceptance by the presiding panel, the matter will proceed as if the offer had not been made and the offer (and all documents relating to it) will not become part of the record. Neither the respondent, the potential respondent, nor the Compliance Department may use an unaccepted offer of settlement as an

admission or in any other manner at a hearing of, or appeal from, any Disciplinary Proceedings.

- (6) Any accepted settlement agreement shall include a waiver by the respondent of all rights to appeal or otherwise challenge or contest the validity of the settlement offer.

809. Disciplinary Panel

- (1) The Chief Compliance Officer will appoint a Disciplinary Panel to conduct hearings in connection with any Disciplinary Proceedings authorized by the Chief Compliance Officer or a Review Panel to make findings and impose sanctions pursuant to this Chapter 8.
- (2) The Disciplinary Panel shall be comprised of three individuals, at least one of whom would qualify to serve as a Public Director in accordance with CFTC Regulations. In forming a Disciplinary Panel, the Chief Compliance Officer shall draw panel members from the individuals appointed by the Board as potential members of Disciplinary Panels. The chairman of the Disciplinary Panel shall be appointed by the Chief Compliance Officer. No group or class of Trading Privilege Holders may dominate or exercise disproportionate influence on a Disciplinary Panel, and no member of the Disciplinary Panel may participate in deliberations or voting on any matter in which he or she has a financial, personal or other direct interest. A Disciplinary Panel may not include any person involved in adjudicating any other stage of the same proceeding. If a vacancy shall occur on a Disciplinary Panel after it has begun its proceedings, the remaining members shall complete consideration and disposition of the matter. Once a Disciplinary Panel has determined the matter for which it was appointed and has notified the Secretary in writing of its decision, it shall be dissolved automatically. The Board may, at any time, remove any member of a Disciplinary Panel for cause.
- (3) Any of the functions of the SEF or the Disciplinary Panel under this Chapter 8 may be performed by a Regulatory Services Provider pursuant to a delegation of such functions by the SEF, and references to the Disciplinary Panel or the Compliance Department, as appropriate, shall be deemed to be references to such Regulatory Service Provider. Nevertheless, the SEF will retain exclusive authority in all substantive decisions made by the Regulatory Service Provider, including, but not limited to, denials of access to the Trading System for disciplinary reasons. The SEF will document any instances where its actions differ from those recommended by the Regulatory Services Provider.
- (4) Within ten days of being notified of the appointment of a Disciplinary Panel, a respondent may seek to disqualify any individual named to the Disciplinary Panel for the reasons identified in Rule 208(1)(2) or for any other reasonable grounds, by serving written notice on the SEF's General Counsel and providing a copy thereof to the Disciplinary Panel. By not timely filing a request for disqualification, the respondent will be deemed to have waived any objection to the composition of a Disciplinary Panel. The general counsel will decide the merits of any request for disqualification within his or her sole discretion. Any such decision will be final and not subject to appeal.

810. Convening Hearings of Disciplinary Proceedings

- (1) All Disciplinary Proceedings (except for summary impositions of fines pursuant to Rule 817) will be conducted at a hearing before a Disciplinary Panel. A hearing will be conducted privately and confidentially unless the Disciplinary Panel decides that the hearing, or any part of it, should be held in public after giving each respondent the opportunity to present its, his or her views on holding a public hearing. Notwithstanding the confidentiality of hearings, a Disciplinary Panel may appoint an expert to attend any hearing and assist in deliberations if such expert agrees to be subject to an appropriate confidentiality agreement.

- (2) After reasonable notice to each respondent, the Disciplinary Panel will promptly convene a hearing to conduct Disciplinary Proceedings with respect to such respondent. Parties to a Disciplinary Proceeding include each respondent and the Compliance Department. The hearing shall be conducted before members of the Disciplinary Panel.
- (3) The chairman of the Disciplinary Panel may continue, adjourn or otherwise conduct the hearing as he or she may deem appropriate. The chairman of the Disciplinary Panel will determine all procedural and evidentiary matters, including any pre-hearing motions and the admissibility and relevance of any evidence proffered. In determining procedural and evidentiary matters, the chairman of the Disciplinary Panel will not be bound by any evidentiary or procedural rules or law; nevertheless, the procedures for the hearing may not be so informal as to deny a fair hearing. Once admitted during the hearing, the Disciplinary Panel may consider, and attach the weight it believes appropriate to, evidence or other materials. The SEF will provide guidance to the chairman of the Disciplinary Panel on the conduct of the hearing.
- (4) Except for procedural and evidentiary matters decided by the chairman of the Disciplinary Panel pursuant to paragraph (3) above and Rule 811, unless each respondent otherwise consents, the entire Disciplinary Panel must be present (either in person or telephonically) during the entire hearing and any related deliberations.

811. Respondent's Review of Evidence

- (1) Prior to the commencement of a hearing, each respondent will be given the opportunity to review all books, records, documents, papers, transcripts of testimony and other evidence in the possession or under the control of the SEF that the Compliance Department will use to support the allegations and proposed sanctions in the notice of charges or which the chairman of the Disciplinary Panel deems relevant to those charges. Notwithstanding the foregoing, no respondent will have the right to review, and the SEF will have no obligation to disclose, any information that (i) is protected by attorney-client privilege or the work product doctrine; (ii) was prepared by the Compliance Department or an employee of the SEF but will not be offered in evidence in the Disciplinary Proceedings; (iii) may disclose a technique or guideline used in examinations, investigations or enforcement proceedings; or (iv) discloses the identity of a confidential source.
- (2) If any books, records, documents, papers, transcripts of testimony or other tangible evidence contain information that could adversely affect the competitive position of the Person providing the information or if such information might compromise other investigations being conducted by the Compliance Department, the Compliance Department may redact, edit or code such information before furnishing it to the respondent.
- (3) Notwithstanding anything in paragraph (2) above to the contrary, the Compliance Department:
 - (a) Will not redact, edit or code competitive or investigative information contained in documents in a manner that would impair the respondent's ability to defend against the allegations or proposed sanctions in the notices of charges, and
 - (b) Will provide the respondent with access to the information and portions of the documents that the Compliance Department intends to rely on to support the allegations or proposed sanctions in the notice of charges or that are relevant to those charges.
- (4) For purposes of this Rule 811, information that could adversely affect competitive positions includes positions in Swaps currently held, trading strategies employed in

establishing or liquidating positions, the identity of Trading Privilege Holders or Customers, and the personal finances of the Person providing the information.

- (5) Unless indicated otherwise by the chairman of the Disciplinary Panel, all such requests for access to information identified in Rule 811(1) must be made not less than ten days prior to the scheduled hearing date.

812. Conducting Hearings of Disciplinary Proceedings

- (1) At a hearing conducted with a Disciplinary Panel, the Compliance Department will present its case supporting the allegations and proposed sanctions in the notice of charges to the Disciplinary Panel. The respondent is entitled to appear personally and participate in the hearing.
- (2) At a hearing conducted with a Disciplinary Panel, the Compliance Department and each respondent may:
 - (a) Present evidence and facts deemed relevant and admissible by the chairman of the Disciplinary Panel;
 - (b) Call and examine witnesses (including, but not limited to, employees or agents of the SEF that form part of the Compliance Department); and
 - (c) Cross-examine witnesses called by other parties.
- (3) If a respondent has failed to timely file a written answer to a notice of charges but appears at the hearing, the respondent may not participate in the hearing (except for a hearing pursuant to Rule 806(4)) unless the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer. If the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer, the Disciplinary Panel will adjourn the hearing and direct the respondent to promptly file a written answer in accordance with Rule 806.
- (4) Any person entitled, required, or called upon to attend a hearing before a Disciplinary Panel pursuant to paragraph (2)(b) above will be given reasonable notice, confirmed in writing, specifying the date, time, and place of the hearing, and the caption of the Disciplinary Proceedings. The SEF will require persons within its jurisdiction that are called as witnesses to appear at the hearing and produce evidence, and will make reasonable efforts to secure the presence of all other persons called as witnesses whose testimony would be relevant.
- (5) If, during any Disciplinary Proceedings, the Disciplinary Panel determines that a reasonable basis exists to believe that the respondent violated, or is about to violate, a Rule of the SEF or a provision of Applicable Law other than the violations alleged in the notice of charges, the Disciplinary Panel may consider those apparent violations after providing the respondent with an opportunity to answer the additional allegations in accordance with Rule 806. In connection with considering apparent violations pursuant to this paragraph (5), the Disciplinary Panel may request that the Compliance Department provide the Disciplinary Panel with any additional information.
- (6) The Disciplinary Panel may summarily impose sanctions on any Trading Privilege Holder or other Person within the SEF's jurisdiction whose actions impede the progress of a hearing.
- (7) The SEF will arrange for any hearing conducted in connection with Disciplinary Proceedings to be recorded verbatim, or substantially verbatim, in a manner capable of accurate transcription, and a copy of such recordings shall become a part of the record of such proceedings. If the respondent requests a copy of all or portions of the recording of

a hearing, the chairman of the Disciplinary Panel may, within his or her sole discretion, order the respondent to pay the costs for transcribing the recording of the hearing.

- (8) No interlocutory appeals of rulings of any Disciplinary Panel, or chairman of the Disciplinary Panel, are permitted.

813. Decision of Disciplinary Panel

- (1) Promptly following a hearing, the Disciplinary Panel will render a written decision based on the weight of the evidence contained in the record of the Disciplinary Proceedings. A decision by a majority of the Disciplinary Panel will constitute the decision of the Disciplinary Panel.
- (2) The SEF will serve a copy of the written decision on the respondent and the Compliance Department. The written decision will include the following information:
 - (a) The notice of charges or a summary of the charges;
 - (b) The answer, if any, or a summary of the answer;
 - (c) A summary of the evidence introduced at the hearing or, where appropriate, incorporation by reference of the investigation report;
 - (d) A statement of findings and conclusions with respect to each charge, and a complete explanation of the evidentiary and other bases for such findings and conclusions with respect to each charge;
 - (e) An indication of each specific rule that the respondent was found to have violated; and
 - (f) A declaration of all sanctions imposed against the respondent, including the basis for such sanctions and the effective date of such sanctions.
- (3) Unless a timely notice of appeal is filed pursuant to Rule 816, the order of the Disciplinary Proceedings will become final upon the expiration of 20 days after the order is served on the respondent and a copy thereof is provided to the Compliance Department.

814. Sanctions

- (1) After notice and opportunity for hearing in accordance with these rules, the SEF will impose sanctions if a Trading Privilege Holder or other Person within the SEF's jurisdiction is found to have violated any Applicable Law. Disciplinary sanctions imposed by the SEF shall be commensurate with the violations committed, and shall be clearly sufficient to deter recidivism or similar violations by other market participants. In addition, the respondent's disciplinary history will be taken into account in determining the appropriate sanction.
- (2) The SEF may impose one or more of the following sanctions or remedies:
 - (a) A warning letter, provided that no more than one warning letter may be issued to the same respondent found to have committed the same rule violation within a rolling twelve month period;
 - (b) Censure;
 - (c) Limitation on the Trading Privilege Holder's right to access all or part of the Trading System;

- (d) Suspension of the Trading Privilege Holder's right to access all or part of the Trading System for a period not to exceed 12 months;
 - (e) Fine (subject to paragraph (3) below);
 - (f) Restitution or disgorgement;
 - (g) Expulsion or termination of a Trading Privilege Holder or other Person within the SEF's jurisdiction; or
 - (h) Any other sanction or remedy deemed to be appropriate.
- (3) The SEF may impose a fine of up to \$100,000 for each violation. Each Participant will be responsible for paying any fine or other amount imposed on, but not paid by, any Sponsored Access Participant or other agent or representative of such Participant.

815. Costs

A Disciplinary Panel may order a respondent who has been found to have violated the Rules to pay costs associated with the Disciplinary Proceedings, including costs that the Disciplinary Panel believes were unnecessarily caused by the respondent, in addition to any fine or other penalty which may be imposed on such respondent. Costs may include costs associated with the inquiry or investigation, the prosecution by the Compliance Department, legal and professional assistance, the hearing, and administrative and other expenses incurred by the Disciplinary Panel.

816. Appeal From Disciplinary Panel Decision

- (1) Parties to a Disciplinary Proceeding may appeal the decision of the Disciplinary Panel within 20 days of receiving the order of the Disciplinary Proceedings by filing a notice of appeal with the Chief Compliance Officer. While an appeal is pending, the effect of the written decision issued by the Disciplinary Panel (including any sanctions, remedies, or costs imposed thereby) shall be suspended.
- (2) In a notice of appeal, the appellant must state in writing the grounds for appeal, including the findings of fact, conclusions, or sanctions to which the appellant objects. A written request for an appeal must specify the grounds for the appeal and the specific error or impropriety of the original decision. An appellant may appeal the written decision of a Disciplinary Panel on the grounds that (i) the decision was arbitrary, capricious, an abuse of discretion, or not in accordance with the Rules, or (ii) the decision exceeded the authority or jurisdiction of the Disciplinary Panel or the SEF.
- (3) The Chief Compliance Officer will forward copies of any notice of appeals received by him or her to all parties to the Disciplinary Proceedings in question other than the appellant. On or before the 20th day after filing a notice of appeal, the appellant must file with the Chief Compliance Officer and serve the Compliance Department a brief supporting the notice of appeal and documents supporting the brief.
- (4) Within 20 days after the last submission filed pursuant to paragraph (3) above, the Chief Compliance Officer shall appoint an Appeal Panel to consider and determine the appeal. The Appeal Panel shall be comprised of three individuals appointed by the Board as potential members of Appeal Panels, one of whom shall be appointed by the Chief Compliance Officer to serve as chairman of the Appeal Panel. The Appeal Panel must include at least one person who is qualified to serve as a Public Director under CFTC Regulations. No group or class of Trading Privilege Holders may dominate or exercise disproportionate influence on an Appeal Panel. An individual may not serve on an Appeal Panel if the individual has a relationship of a type described in Rule 208(1)(2) or

was involved in the adjudication of any other stage of the same proceeding. The appeals proceeding shall be conducted before all members of the Appeal Panel.

- (5) Within ten days of being notified of the appointment of an Appeal Panel, either party may seek to disqualify any individual named to the Appeal Panel for the reasons listed in Rule 208(1)(2) or for any other reasonable grounds, by serving written notice on the Chief Compliance Officer. By not timely filing a request for disqualification, the parties will be deemed to have waived any objection to the composition of the Appeal Panel. The chief legal officer will decide the merits of any such objection in his or her sole discretion. Any such decision will be final and not subject to appeal.
- (6) The Appeal Panel, by a majority vote, shall determine whether sufficient grounds exist to hold a hearing on the appeal. The Appeal Panel may only determine that sufficient grounds exist if there is a reasonable basis to conclude that the appellant may be able to demonstrate that the decision was arbitrary, capricious, an abuse of discretion, or not in accordance with the Rules, or that the decision exceeded the authority or jurisdiction of the Disciplinary Panel or the SEF. The Appeal Panel's determination shall be based solely upon the materials submitted by the appellant pursuant to paragraph (3). The Appeal Panel's determination of whether to hold a hearing on an appeal shall be final. If the Appeal Panel grants the appellant's request for a hearing, the appellee may file and serve its brief in opposition not more than 20 days after the issuance of the determination of the Appeal Panel.
- (7) An Appeal Panel may hold a hearing to allow parties to present oral arguments. Any hearing will be conducted privately and confidentially unless the chairman of the Appeal Panel decides that the hearing, or any part of it, should be held in public after giving each appellant the opportunity to present its, his, or her views on holding a public hearing. Notwithstanding the confidentiality of hearings, an Appeal Panel may appoint individuals to attend any hearing and assist in the deliberations if such individuals agree to be subject to appropriate confidentiality agreements. In determining procedural and evidentiary matters, the Appeal Panel will not be bound by any evidentiary or procedural rules or law.
- (8) Except for good cause, the Appeal Panel will only consider on appeal the record before the Disciplinary Panel, the written exceptions filed by the parties, and the oral or written arguments of the parties. The Appeal Panel may only consider new evidence when it is satisfied that good cause exists as to why the evidence was not introduced during a prior stage of the Disciplinary Proceeding. In connection with any appeal, the Compliance Department will furnish to the Appeal Panel a transcript of the hearing, any exhibits introduced at the hearing, the notice of appeal, and briefs filed to support and oppose the appeal.
- (9) After completing its review, the Appeal Panel may affirm, modify, or reverse any order of Disciplinary Proceedings under appeal in whole or in part, including increasing, decreasing, or eliminating any sanction or remedy imposed; imposing any other sanction or remedy authorized by the Rules; or remanding the matter to the same or a different Disciplinary Panel for further Disciplinary Proceedings. The Appeal Panel may order a new hearing for good cause, or if the Appeal Panel deems it appropriate.
- (10) Promptly following the appeal proceeding, the Appeal Panel will issue a written decision and provide a copy to the parties. The written decision issued by the Appeal Panel must adhere to all the requirements of Rule 813(2), to the extent that a different conclusion is reached from that issued by the Disciplinary Panel. A decision by a majority of the Appeal Panel will constitute the decision of the Appeal Panel.
- (11) An Appeal Panel's written decision on appeal (including findings of fact and conclusions and the imposition of sanctions, remedies, and costs, and the effective date of any sanction, remedy, or cost) will be the final action of the SEF, and will not be subject to

appeal within the SEF. Disciplinary sanctions imposed by the SEF shall be commensurate with the violations committed, and shall be clearly sufficient to deter recidivism or similar violations by other market participants. In addition, the respondent's disciplinary history will be taken into account in determining the appropriate sanction.

817. Summary Imposition of Fines Relating to Submission of Records

- (1) The SEF may fine a Trading Privilege Holder or any other Person subject to the SEF's jurisdiction using a summary fine schedule for a violation of Rules regarding timely submission of accurate records.
- (2) A warning letter may be issued for first-time violations, provided that no more than one warning letter may be issued per any rolling 12-month period for the same violation.

818. Summary Suspensions

- (1) Notwithstanding anything in the Rules to the contrary, the Chief Compliance Officer, or his or her designee, may summarily suspend a Participant's right to access the Trading System or the association of a Sponsored Access Participant, Intermediary or any other Person with a Participant, or take other summary action against any Trading Privilege Holder or any Person subject to the SEF's jurisdiction, or suspend access to the Trading System of any other Person subject to the SEF's jurisdiction, if the SEF reasonably believes such immediate action is necessary to protect the best interest of the marketplace.
- (2) Whenever summary action pursuant to paragraph (1) above is proposed, the SEF will, if practicable, serve the party against whom the action is contemplated with written notice. If prior notice is not practicable, the SEF will give notice at the earliest possible opportunity to the respondent against whom the action is brought. The notice will be prepared by the Compliance Department, and such notice will state the action, briefly state the reasons for the action, and state the effective time, date, and duration of the action taken. The notice shall be served on the respondent in accordance with Rule 807.
- (3) The respondent shall be advised of its right to a hearing before a Disciplinary Panel pursuant to Rules 809-813, by filing a notice of intent with the Compliance Department within ten business days of service of notice. Filing of a notice of intent pursuant to this Rule shall not stay the Chief Compliance Officer's decision to deny access. The respondent shall have the right to be represented by legal counsel, or any other representative of its choosing and at its own expense.
- (4) Promptly but no later than 20 days after filing of a notice of intent, a Disciplinary Panel will conduct a hearing concerning the summary suspension. Promptly after such hearing, the Disciplinary Panel will render a written decision based on the weight of the evidence contained in the record of the proceeding. The decision of a majority of the Disciplinary Panel will be the decision of the Disciplinary Panel. The SEF will serve copies of the written decision of the Disciplinary Panel on the respondent and the Compliance Department. The written decision will include the following information:
 - (a) A description of, and reasons for, the summary action taken;
 - (b) A summary of the evidence produced at the hearing;
 - (c) A statement of findings of fact and conclusions;
 - (d) A determination that the summary action should be affirmed, modified, or reversed; and

- (e) A declaration of any action to be taken pursuant to the determination, and the effective date and duration of such action.
- (5) Any decision of a Disciplinary Panel pursuant to this Rule 818 will be the final action of the SEF, and not subject to appeal within the SEF upon serving the respondent with a copy of the decision.
- (6) At the request of the SEF, a respondent who is summarily suspended pursuant to this Rule 818 must provide access to and/or copies of books and records over which the respondent has access or control, and must furnish information to, or appear or testify before, the SEF in connection with the enforcement of any Rule of the SEF.

819. Rights and Responsibilities After Suspension or Termination

- (1) When the right of a Person to access the Trading System is suspended for a period of 12 months or less, none of its rights will apply during the period of the suspension, except for (i) any right such Person may have to receive rebates or similar payments that were earned, prior to the suspension period, provided that such rebates or payments are not directly related to conduct giving rise to such suspension; or (ii) the right of the Person to assert claims against others as provided in the Rules. Any such suspension will not relieve such Person of its obligations under the Rules to perform any transactions entered into before the suspension, or for any SEF fees, costs, or charges incurred during the suspension. The SEF may discipline a suspended Person under this Chapter 8 for any violation of Applicable Law committed by it before, during, or after the suspension.
- (2) When the right of a Person to access the Trading System is terminated, all of its rights will terminate, except for the right of the Person in question to assert claims against others, as provided in the Rules. A terminated Trading Privilege Holder or other Person may only seek to reinstate its right to access the Trading System by filing an application for participation in the SEF. The SEF will not consider the application of a terminated Person if such Person has failed to appear at Disciplinary Proceedings without good cause, or has impeded the progress of Disciplinary Proceedings.
- (3) A suspended or terminated Person remains subject to the Rules and the jurisdiction of the SEF for acts and omissions prior to the suspension or termination, and must cooperate in any inquiry, investigation, Disciplinary Proceeding, appeal of Disciplinary Proceedings, summary suspension, or other summary action as if the suspended or terminated Person still had the right to access the Trading System.

820. Notice to the Respondent, the CFTC, and the Public

The SEF will provide written notice of Disciplinary Proceedings to the parties and the CFTC consistent with CFTC Regulations. Whenever the SEF suspends, expels, fines, or otherwise disciplines, or denies any Person access to the SEF, the SEF will make the public disclosures required by CFTC Regulations.

Chapter 9. Recordkeeping and Reporting

901. Recordkeeping Requirements

- (1) The SEF will capture and retain all transaction data, so as to be able to reconstruct all transactions within a reasonable period of time and to provide evidence of any Rule violations.
- (2) The SEF will retain records for all transactions executed on the SEF. This includes all Bids/Offers, whether accepted, unaccepted, canceled or modified, and all acceptances of Bids/Offers.
- (3) The SEF shall maintain an electronic transaction history database, which includes a history of all Bids/Offers and Transactions, and also includes:
 - (a) All data that are input into the order entry system;
 - (b) The categories of Trading Privilege Holders for which each Transaction is executed, and by which each Transaction is executed, including whether the Trading Privilege Holder executed the Transaction for its own account;
 - (c) Timing and sequencing data adequate to reconstruct trading activity; and
 - (d) Identification of each Trading Privilege Holder to which fills are allocated.
- (4) The SEF will use the electronic transaction history database to reconstruct trading and identify possible Rule violations. The SEF will conduct an annual review of compliance with its audit trail and recordkeeping requirements and will identify Trading Privilege Holders that may have failed to comply with such requirements. Such Persons will be subject to investigation by the Compliance Department for possible disciplinary action. The annual review must include, but is not limited to, reviews of randomly selected samples of front-end audit trail data for order routing systems; a review of the process by which user identifications are assigned and user identification records are maintained; a review of usage patterns associated with user identifications to monitor for violations of user identification requirements; and reviews of account numbers and Customer Type Indicator Codes in transaction records to test for accuracy and improper use.

902. Block Trade Reporting

Trades executed in accordance with Rule 510, unless otherwise exempted by a Rule, must comply with the following recordkeeping requirements:

- (1) At the time of execution, every Order received from a Trading Privilege Holder must be in the form of a written or electronic record and include an Order ticket meeting the requirements of Rule 505 and a timestamp reflecting the date and time that such Order was received.
- (2) The record shall also include a timestamp reflecting the date and time that the Order was executed or cancelled.

903. SDR Reporting

- (1) The SEF will report Required Swap Reporting Data to a Swap Data Repository for each Swap executed on the Trading System as soon as technologically practicable after execution. The SEF may provide such Required Swap Reporting Data to Participants, Sponsored Access Participants and Authorized Persons no earlier than the time it

transmits such information to a Swap Data Repository and in a form that does not disclose the identities, or otherwise facilitate identification, of the parties to the Swap.

- (2) The Reporting Counterparty for each Swap executed on the Trading System shall be established pursuant to CFTC Regulation 45.8. A suspense account may also be used at the time of entry for bunched Orders or Requests for Quote that are eligible for post-trade allocation and that are executed and allocated in accordance with CFTC Regulation 1.35(b)(5).

512. Execution Methods

The following execution methods are available on the Trading System. Execution methods are enabled by Swap transaction type (Required Transaction or Permitted Transaction) at the discretion of the SEF, with the exception of Hit/Lift Click Trading, which is available for all Swaps.

- (1) Central Limit Order Book. The Central Limit Order Book is a database of Orders entered on the Trading System through an order entry ticket. Orders in the Central Limit Order Book are subject to pre-trade credit checks, and execution via a manually executed trading method under which Authorized Persons can post Orders and Indicative Orders, transact with Orders and initiate negotiations with respect to Indicative Orders. Orders for a Swap in the Central Limit Order Book are displayed in price/time priority, placing (a) Orders with the best price above those at the next-best price; and (b) Orders with the same price in order of time received from oldest to most recent. Indicative Orders may either feature size and/or price details or include no details on price and reflect a default size that is established by the Trading System. Indicative Orders and Orders must be subject to negotiation, modification and approval by an Authorized Person in order to become tradable firm Orders.
- (2) Request for Quote. A Request for Quote is a price discovery method whereby an Authorized Person solicits firm and executable quotes for a Swap. Recipients can be selected from a list of other Authorized Persons currently logged on to the Trading System, the number of which must be equal to or greater than the minimum number of market participants required by and counted according to CFTC Regulations. Market participant responses are optional and voluntarily. Responses are displayed to the quote solicitor along with any firm resting Bid or Offer in the same instrument from the Trading System's Central Limit Order Book. Quote solicitors can execute against market participant responses and against any firm bid or offer in the same instrument resting on the SEF's Central Limit Order Book.
- (3) Volume-Match Trading. Volume-Match Trading is an execution method whereby, over a fixed-length session, one or more Swap(s) can be traded at a transparent, fixed price that is determined by market survey prior to the matching session. In a Volume-Matching session, Authorized Persons can enter Order size and side. Orders are matched utilizing a non-discretionary automated trade matching algorithm. Prior to the matching auction, one of the following automated trade matching algorithms will be disclosed to Trading

~~Privilege Holders~~ Participants and then applied to the auction. Once the auction is initiated, the matching algorithm cannot be changed.

- (a) Real-time matching based on time priority (First In, First Out, or “FIFO”).
- (b) Real-time matching based on volume priority. In the event that a stack of Orders exists on one side of the market, they are matched against new Orders on the other side of the market in order of largest to smallest.
- (c) End-of-session matching based on time priority (First In, First Out, or “FIFO”).
- (d) End-of-session matching based on volume priority in order of largest to smallest.

513. Error Handling

- (1) If a ~~Trading Privilege Holder~~ Participant or ~~Sponsored Access Participant~~ believes that a Bid/Offer to transact in one or more Swaps was incorrectly displayed and/or executed and/or reported, that ~~Trading Privilege Holder~~ Participant or ~~Sponsored Access Participant~~ may request review of the Bid/Offer or the Transaction.
- (2) A request for review that is made by a Trading Privilege Holder must be made as soon as practicable but in no event after the end of the Business Day in which such Transaction took place. Upon receipt of a request for review of a Bid/Offer, the SEF will review its records to determine if the Trading System correctly displayed and/or executed the Bid/Offer.
- (3) If the review described in this Rule reveals that the Trading System or a Voice Specialist made a material mistake or that a mistake occurred as a result of a malfunction in the Trading System or by human error, the Transaction will be canceled or adjusted, as appropriate.
- (4) If the review described in this Rule reveals that neither the Trading System nor a Voice Specialist made a mistake, the SEF will inform the ~~Trading Privilege Holder~~ Participant or ~~Sponsored Access Participant~~ who requested the review that the SEF has determined that the Bid/Offer was properly handled, the evidence supporting that determination, and that an adjustment will not be made.
- (5) The SEF will document in writing all requests for review of Bids/Offers received by the SEF, the time and manner in which SEF reviewed its electronic audit trail in response to the request, the outcome of that review, and the action or actions taken by the SEF in response to that review.

514. Cancellations

- (1) The SEF may, at its sole discretion, cancel any Transaction that it believes allowing to stand as executed could have a material, adverse effect on the integrity of the market or is necessary to mitigate market disrupting events caused by the improper or erroneous use of the Trading System or by system defects. All decisions of the SEF to cancel a Transaction shall be final. The SEF shall not have any liability for losses resulting from Transaction cancellations under this Rule. The SEF retains exclusive authority over all decisions involving the cancellation of Transactions.
- (2) The SEF may determine to review a Transaction based on its independent analysis of market activity or upon request for review by a Trading Privilege Holder or Participant, Authorized Person or Sponsored Access Participant of the SEF. A request for review that

is made by a Trading Privilege Holder must be made as soon as practicable but in no event after the end of the Business Day in which such Transaction took place. The SEF shall determine whether or not a Transaction will be subject to review at its sole discretion. Upon deciding to review a Transaction, the SEF will promptly issue an alert to involved Trading Privilege Holders, ~~Participants~~, ~~Sponsored Access Participants~~ via the Trading System or electronic mail indicating that the Transaction is under review.

- (3) If the SEF determines that a Transaction has been executed at a price that is not representative of the market for the Swap, the SEF may declare the Transaction invalid.
- (4) A decision by the SEF to cancel a Transaction will be made as soon as practicable, and the SEF shall notify Trading Privilege Holders, ~~Participants~~, ~~Sponsored Access Participants~~ and the Swap Data Repository of any such decision.

515. Confirmations

The SEF shall provide each Counterparty to a Swap with a written record of all of the terms of the Swap which shall serve as a Confirmation of the Swap as defined in CFTC Regulation § 45.1. With respect to certain products, Transactions and Trading Privilege Holders, such Confirmation may be provided on the SEF's behalf by MarketSERV's Organized Trading Venue (OTV) Confirmation Service or other similar confirmation services.

(1) Cleared Swaps

- (a) For Cleared Swaps, the SEF will provide the Trading Privilege Holder a Confirmation of all the terms of each transaction executed on the SEF at the same time as the swap transaction is accepted for clearing, as defined in CFTC Regulation § 23.501(4), provided that where a Trading Privilege Holder is a Customer in an Intermediated Transaction, the confirmation will be provided to the Intermediary in accordance with paragraph (3). The Confirmation provided by the SEF for Cleared Swaps will be the final legally binding confirmation of the terms of any transaction executed on the SEF and will supersede any conflicting confirmation or agreement provided to, or between, as applicable, Participants and Customers, regardless of when such other confirmation is provided.
- (b) A Swap that is effected as a Block Trade shall be confirmed by the SEF promptly after it is reported to the SEF pursuant to Rule 510(3)(e) and cleared pursuant to Rule 601.

(2) Uncleared Swaps

- (a) The economic terms specific to the Transaction agreed by Participants and/or Sponsored Access Participants with respect to an Uncleared Swap shall be reflected by the SEF in a written communication (the "Trade Communication") sent to the applicable Trading Privilege Holders that are party to such Uncleared Swap, provided that where a Trading Privilege Holder is a Customer in an Intermediated Transaction, the confirmation will be provided to the Intermediary in accordance with paragraph (3). The Trade Communication, together with the documents and agreements (including, without limitation, ISDA master agreements, other master agreements, terms supplements, master Confirmation agreements, and incorporated industry definitions) governing such Uncleared Swap existing at the time of such commitment to which such Participants and/or Sponsored Access Participants are party (the "Terms Incorporated by Reference") shall, taken together, for purposes of CFTC Regulation 37.6(b) comprise all of the terms of such Transaction and serve as a Confirmation of

such Transaction (the Trade Communication and Terms Incorporated by Reference, together, the “Confirmation”).

- (b) In satisfaction of the obligations imposed on the SEF under CFTC Regulation 37.6(b), (i) each Trade Communication is deemed to incorporate the Terms Incorporated by Reference set forth in this Rule 515, and (ii) the Participants and/or Sponsored Access Participants that are party to the Uncleared Swap referenced in such Trade Communication hereby agree that the provisions of paragraph (3) shall govern any conflicting terms.
- (c) In the event of any conflict between (x) the Trade Communication and (y) the Terms Incorporated by Reference, the Trade Communication shall prevail to the extent of the inconsistency.

(3) Intermediated Transactions

Each Trading Privilege Holder authorizes the SEF to send Confirmations of Swaps that are effected through an Intermediary to such Intermediary and authorizes such Intermediary to accept such Confirmations on behalf of the Trading Privilege Holder.

~~The SEF will provide each Participant or Sponsored Access Participant that is a Counterparty to a Transaction a written record of the terms of the Transaction. Such terms shall legally supersede any previous agreement and serve as a confirmation of the Transaction. Such written record shall constitute a confirmation as defined in CFTC Regulation § 45.1.~~

516. Incentive Programs

- (1) The SEF may establish programs for Trading Privilege Holders~~Participants and Sponsored Access Participants~~ that provide financial incentives for meeting trading volume or revenue thresholds, as established by the SEF.

 - (a) Is obligated to appear and testify and respond in writing to inquiries within the time period required by the Compliance Department in connection with (A*i*) any Rule of the SEF; (B*ii*) any inquiry or investigation; or (C*iii*) any preparation by and presentation during a Disciplinary Proceeding or appeal from a decision in a Disciplinary Proceeding, summary imposition of fines, summary suspension or other summary action by the SEF;
 - (b) Is obligated to produce books, records, papers, documents or other tangible evidence in its, his or her possession, custody or control within the time period

required by the Compliance Department in connection with (A_i) any Rule of the SEF; (B_{ii}) any inquiry or investigation; or (C_{iii}) any preparation by and presentation during a Disciplinary Proceeding or appeal from a decision in any Disciplinary Proceeding, summary imposition of fines, summary suspension or other summary action by the SEF; and

- (c) May not impede or delay any inquiry, investigation, Disciplinary Proceeding, appeal from a Disciplinary Proceeding, summary imposition of fines, summary suspension or other summary action.

803. Reports of Investigations

- (1) The Compliance Department will maintain a log of all investigations and their disposition. Any member of the Compliance Department must promptly recuse himself or herself and notify the Chief Compliance Officer of the recusal if such member has a relationship of a type listed in Rule 208(1)(2) with a potential respondent named in an investigative report. The Compliance Department will prepare a written report of an investigation for the Chief Compliance Officer when the evidence gathered during any inquiry or investigation forms a reasonable basis to believe that a violation within the SEF's jurisdiction has occurred or is about to occur. Any such written investigation report will include the following information:
 - (a) The reason(s) for initiating the investigation;
 - (b) A summary of the complaint, if any;
 - (c) All relevant facts and evidence gathered;
 - (d) The Compliance Department's analysis and conclusions; and
 - (e) The recommendation of the Compliance Department as to whether disciplinary action should be pursued.
- (2) For each potential respondent, the Compliance Department will recommend any one of the following actions:
 - (a) Closing the investigation without further action;
 - (b) Resolving the investigation through an informal disposition, including the issuance of a warning letter; or
 - (c) Initiating Disciplinary Proceedings.
- (3) If the Compliance Department determines that no reasonable basis exists for finding a violation, then the written investigation report will include the following information:
 - (a) The reasons for initiating the investigation;
 - (b) A summary of the complaint, if any;
 - (c) All relevant facts and evidence gathered;
 - (d) The Compliance Department's analysis and conclusions; and

- (e) A copy of any recommended warning letter as well as the Participant's Trading Privilege Holder's disciplinary history at the SEF.
- (4) After reviewing the Compliance Department's written investigation report, the Chief Compliance Officer will either:
- (a) Determine to proceed with the Compliance Department's recommendation to close the investigation without further action, or to resolve the investigation through an informal disposition, if such a recommendation has been made;
 - (b) Forward the investigation report to a Review Panel to determine whether further action with respect to the matters discussed therein is warranted; or
 - (c) Determine to proceed with the Compliance Department's recommendation to initiate Disciplinary Proceedings, if such a recommendation has been made.
- (5) Each Compliance Department investigation must be completed in a timely manner. Absent mitigating factors, a timely manner is no later than 12 months after the date that an investigation is opened. Mitigating factors that may reasonably justify an investigation taking longer than 12 months to complete include the complexity of the investigation, the number of firms or individuals involved as potential wrongdoers, the number of potential violations to be investigated, and the volume of documents and data to be examined and analyzed.
- (6) In addition to any of the actions permitted pursuant to this Rule 803, the Compliance Department may issue a warning letter to the potential respondent. Such warning letter, if issued, shall not be construed as a penalty or an indication that a finding of a violation has been made. No more than one warning letter for the same potential violation may be issued to the same potential respondent during any rolling 12-month period.

804. Review Panel

- (1) The Chief Compliance Officer may, at his or her discretion, convene a Review Panel to review an investigation report submitted by the Compliance Department to determine whether (i) a reasonable basis exists to believe that a violation of the Rules has occurred, and (ii) commencing Disciplinary Proceedings in respect of such potential violation is warranted. The chairman of the Review Panel shall be appointed by the Chief Compliance Officer.
- (2) The Review Panel will review the completed investigation report promptly after receipt thereof and, within 20 days of such receipt, take one of the following actions:
- (a) If the Review Panel determines that additional investigation or evidence is needed, the Review Panel shall promptly direct the Compliance Department to conduct such further investigation;
 - (b) If the Review Panel determines that no reasonable basis exists for finding a violation or that prosecution is otherwise unwarranted, the Review Panel may direct that no further action be taken. Such determination must be in writing, and must include a written statement setting forth the facts and analysis supporting the decision; or
 - (c) If the Review Panel determines that a reasonable basis exists for finding a violation and adjudication is warranted, it must direct that the person or entity alleged to have committed the violation be served with a notice of charges.

- (3) Any member of the Review Panel must promptly recuse himself or herself and notify the Chief Regulatory Officer of the recusal if such member has a relationship of a type listed in Rule 208(1)(2) with a potential respondent in an investigative report.
- (4) The Review Panel shall be comprised of three individuals, at least one of whom would qualify to serve as a Public Director under CFTC Regulations. In forming a Review Panel, the Chief Compliance Officer shall draw panel members from the individuals appointed by the Board as potential members of Review Panels. No group or class of Trading Privilege Holders~~Participants~~ may dominate or exercise disproportionate influence on a Review Panel, and no member of the Review Panel may participate in deliberations or voting on any matter in which he or she has a financial, personal or other direct interest. A Review Panel may not include any person involved in adjudicating any other stage of the same proceeding. If a vacancy shall occur on a Review Panel after it has begun its proceedings, the remaining members shall complete consideration and disposition of the matter. Once a Review Panel has determined the matter for which it was appointed and has notified the Chief Compliance Officer in writing of its decision, it shall be dissolved automatically. The Regulatory Oversight Committee may, at any time, remove any member of a Review Panel for cause.

805. Notice of Charges

- (1) If the Chief Compliance Officer or Review Panel authorizes the initiation of Disciplinary Proceedings, the Compliance Department will prepare, and serve in accordance with Rule 807, a notice of charges.
- (2) A notice of charges must:
 - (a) Adequately state the acts, practices or conduct that the respondent is alleged to have engaged in;
 - (b) State the Rule(s) or provision(s) of Applicable Law alleged to have been violated or about to be violated;
 - (c) Advise the respondent of its right to a hearing;
 - (d) State the period of time within which the respondent can request a hearing on the notice of charges, which will not be less than 20 days after service of the notice of charges;
 - (e) Advise the respondent that any failure to request a hearing within the period stated, except for good cause, will be deemed to constitute a waiver of the right to a hearing; and
 - (f) Advise the respondent that a failure to answer or to expressly deny a charge may be deemed to be an admission of such charge.
- (3) Upon being served with a notice of charges, the respondent has the right to be represented by legal counsel or any other representative of its choosing in all succeeding stages of the Disciplinary Proceedings, other than a Board member, Director, member of an applicable Disciplinary Panel, SEF employee or other person substantially related to the underlying investigation.

806. Answer to Notice of Charges

- (1) If the respondent determines to answer a notice of charges, the respondent must file a written answer within 20 days after being served with such notice, or within such later time period determined appropriate by the Chairman of the Disciplinary Panel.
- (2) To answer a notice of charges, the respondent must in writing:
 - (a) Specify the allegations that the respondent denies or admits;
 - (b) Specify the allegations that the respondent does not have sufficient information to either deny or admit;
 - (c) Specify any specific facts that contradict the notice of charges;
 - (d) Specify any affirmative defenses to the notice of charges; and
 - (e) Sign and serve the answer on the Disciplinary Panel.
- (3) Any failure by the respondent to timely serve a written answer to a notice of charges will be deemed to be an admission to the allegations in such notice. Any failure by the respondent to answer or expressly deny one or more allegations in a notice of charges will be deemed to be an admission of that allegation or those allegations. A general denial by the respondent, without more, will not satisfy the foregoing requirements.
- (4) If a respondent admits or fails to specifically deny any of the allegations in the notice of charges, the Disciplinary Panel shall find that the violations set forth in such allegations have been committed and shall impose a sanction for each such violation. The Disciplinary Panel shall promptly notify the respondent in writing of any sanction to be imposed pursuant to this Rule 806(4) and advise the respondent that it may request a hearing on such sanction within the time period specified in the notice. The failure to request such a hearing within such time period shall be deemed to constitute an acceptance of such sanction. Any hearing pursuant to this Rule 806(4) shall be concerned only with the sanction(s) imposed by the Disciplinary Panel pursuant to this Rule 806(4).

807. Service of Notice

Any notice of charges or other documents contemplated to be served pursuant to this Chapter 8 may be served upon the respondent either personally or by leaving the same at the respondent's place of business during business hours or by deposit with the United States post office, postage prepaid via registered or certified mail, or by overnight delivery, addressed to the respondent at the respondent's last known place of business or residence.

808. Settlements

- (1) At any time after a notice of charges has been issued, the respondent may propose in writing an offer of settlement to anticipated or instituted Disciplinary Proceedings. Any offer of settlement must contain proposed findings and sanctions and be signed by the respondent or potential respondent and submitted to the Compliance Department. A respondent or potential respondent may offer to settle Disciplinary Proceedings without admitting or denying the findings contained in the order of the Disciplinary Proceedings, but must accept the jurisdiction of the SEF over it and over the subject matter of the proceedings and consent to the entry of the findings and sanctions imposed under such offer of settlement.

- (2) The Disciplinary Panel may accept the offer of settlement, but may not alter the terms of a settlement offer unless the respondent or potential respondent agrees.
- (3) If an offer of settlement is accepted, the Disciplinary Panel must issue a written decision specifying the rule violations that the presiding panel has reason to believe were committed, including the basis or reasons for the presiding panel's conclusions, and any sanction to be imposed, which shall include full Customer restitution where Customer harm is demonstrated. Should an offer of settlement be accepted by the Disciplinary Panel without the agreement of the Compliance Department, such written decision must adequately support the Disciplinary Panel's acceptance of the settlement. If applicable, such written decision must also include a statement that the respondent has accepted the sanctions imposed without either admitting or denying the rule violations.
- (4) The respondent or potential respondent may withdraw his or her offer of settlement at any time before final acceptance by the presiding panel.
- (5) If the offer of settlement of a respondent or potential respondent is not accepted, fails to become final or is withdrawn before final acceptance by the presiding panel, the matter will proceed as if the offer had not been made and the offer (and all documents relating to it) will not become part of the record. Neither the respondent, the potential respondent, nor the Compliance Department may use an unaccepted offer of settlement as an admission or in any other manner at a hearing of, or appeal from, any Disciplinary Proceedings.
- (6) Any accepted settlement agreement shall include a waiver by the respondent of all rights to appeal or otherwise challenge or contest the validity of the settlement offer.

809. Disciplinary Panel

- (1) The Chief Compliance Officer will appoint a Disciplinary Panel to conduct hearings in connection with any Disciplinary Proceedings authorized by the Chief Compliance Officer or a Review Panel to make findings and impose sanctions pursuant to this Chapter 8.
- (2) The Disciplinary Panel shall be comprised of three individuals, at least one of whom would qualify to serve as a Public Director in accordance with CFTC Regulations. In forming a Disciplinary Panel, the Chief Compliance Officer shall draw panel members from the individuals appointed by the Board as potential members of Disciplinary Panels. The chairman of the Disciplinary Panel shall be appointed by the Chief Compliance Officer. No group or class of Trading Privilege Holders ~~Participants~~ may dominate or exercise disproportionate influence on a Disciplinary Panel, and no member of the Disciplinary Panel may participate in deliberations or voting on any matter in which he or she has a financial, personal or other direct interest. A Disciplinary Panel may not include any person involved in adjudicating any other stage of the same proceeding. If a vacancy shall occur on a Disciplinary Panel after it has begun its proceedings, the remaining members shall complete consideration and disposition of the matter. Once a Disciplinary Panel has determined the matter for which it was appointed and has notified the Secretary in writing of its decision, it shall be dissolved automatically. The Board may, at any time, remove any member of a Disciplinary Panel for cause.
- (3) Any of the functions of the SEF or the Disciplinary Panel under this Chapter 8 may be performed by a Regulatory Services Provider pursuant to a delegation of such functions by the SEF, and references to the Disciplinary Panel or the Compliance Department, as appropriate, shall be deemed to be references to such Regulatory Service Provider. Nevertheless, the SEF will retain exclusive authority in all substantive decisions made by the Regulatory Service Provider, including, but not limited to, denials of access to the

Trading System for disciplinary reasons. The SEF will document any instances where its actions differ from those recommended by the Regulatory Services Provider.

- (4) Within ten days of being notified of the appointment of a Disciplinary Panel, a respondent may seek to disqualify any individual named to the Disciplinary Panel for the reasons identified in Rule 208(1)(2) or for any other reasonable grounds, by serving written notice on the SEF's General Counsel and providing a copy thereof to the Disciplinary Panel. By not timely filing a request for disqualification, the respondent will be deemed to have waived any objection to the composition of a Disciplinary Panel. The general counsel will decide the merits of any request for disqualification within his or her sole discretion. Any such decision will be final and not subject to appeal.

810. Convening Hearings of Disciplinary Proceedings

- (1) All Disciplinary Proceedings (except for summary impositions of fines pursuant to Rule 817) will be conducted at a hearing before a Disciplinary Panel. A hearing will be conducted privately and confidentially unless the Disciplinary Panel decides that the hearing, or any part of it, should be held in public after giving each respondent the opportunity to present its, his or her views on holding a public hearing. Notwithstanding the confidentiality of hearings, a Disciplinary Panel may appoint an expert to attend any hearing and assist in deliberations if such expert agrees to be subject to an appropriate confidentiality agreement.
- (2) After reasonable notice to each respondent, the Disciplinary Panel will promptly convene a hearing to conduct Disciplinary Proceedings with respect to such respondent. Parties to a Disciplinary Proceeding include each respondent and the Compliance Department. The hearing shall be conducted before members of the Disciplinary Panel.
- (3) The chairman of the Disciplinary Panel may continue, adjourn or otherwise conduct the hearing as he or she may deem appropriate. The chairman of the Disciplinary Panel will determine all procedural and evidentiary matters, including any pre-hearing motions and the admissibility and relevance of any evidence proffered. In determining procedural and evidentiary matters, the chairman of the Disciplinary Panel will not be bound by any evidentiary or procedural rules or law; nevertheless, the procedures for the hearing may not be so informal as to deny a fair hearing. Once admitted during the hearing, the Disciplinary Panel may consider, and attach the weight it believes appropriate to, evidence or other materials. The SEF will provide guidance to the chairman of the Disciplinary Panel on the conduct of the hearing.
- (4) Except for procedural and evidentiary matters decided by the chairman of the Disciplinary Panel pursuant to paragraph (3) above and Rule 811, unless each respondent otherwise consents, the entire Disciplinary Panel must be present (either in person or telephonically) during the entire hearing and any related deliberations.

811. Respondent's Review of Evidence

- (1) Prior to the commencement of a hearing, each respondent will be given the opportunity to review all books, records, documents, papers, transcripts of testimony and other evidence in the possession or under the control of the SEF that the Compliance Department will use to support the allegations and proposed sanctions in the notice of charges or which the chairman of the Disciplinary Panel deems relevant to those charges. Notwithstanding the foregoing, no respondent will have the right to review, and the SEF will have no obligation to disclose, any information that ~~is~~ (i) is protected by attorney-client privilege or the work product doctrine; (ii) was prepared by the Compliance Department or an employee of the SEF but will not be offered in evidence in the

Disciplinary Proceedings; (iii) may disclose a technique or guideline used in examinations, investigations or enforcement proceedings; or (iv) discloses the identity of a confidential source.

- (2) If any books, records, documents, papers, transcripts of testimony or other tangible evidence contain information that could adversely affect the competitive position of the Person providing the information or if such information might compromise other investigations being conducted by the Compliance Department, the Compliance Department may redact, edit or code such information before furnishing it to the respondent.
- (3) Notwithstanding anything in paragraph (2) above to the contrary, the Compliance Department:
 - (a) Will not redact, edit or code competitive or investigative information contained in documents in a manner that would impair the respondent's ability to defend against the allegations or proposed sanctions in the notices of charges, and
 - (b) Will provide the respondent with access to the information and portions of the documents that the Compliance Department intends to rely on to support the allegations or proposed sanctions in the notice of charges or that are relevant to those charges.
- (4) For purposes of this Rule 811, information that could adversely affect competitive positions includes positions in Swaps currently held, trading strategies employed in establishing or liquidating positions, the identity of Trading Privilege Holders or Customers, and the personal finances of the Person providing the information.
- (5) Unless indicated otherwise by the chairman of the Disciplinary Panel, all such requests for access to information identified in Rule 811(1) must be made not less than ten days prior to the scheduled hearing date.

812. Conducting Hearings of Disciplinary Proceedings

- (1) At a hearing conducted with a Disciplinary Panel, the Compliance Department will present its case supporting the allegations and proposed sanctions in the notice of charges to the Disciplinary Panel. The respondent is entitled to appear personally and participate in the hearing.
- (2) At a hearing conducted with a Disciplinary Panel, the Compliance Department and each respondent may:
 - (a) Present evidence and facts deemed relevant and admissible by the chairman of the Disciplinary Panel;
 - (b) Call and examine witnesses (including, but not limited to, employees or agents of the SEF that form part of the Compliance Department); and
 - (c) Cross-examine witnesses called by other parties.
- (3) If a respondent has failed to timely file a written answer to a notice of charges but appears at the hearing, the respondent may not participate in the hearing (except for a hearing pursuant to Rule 806(4)) unless the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer. If the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an

answer, the Disciplinary Panel will adjourn the hearing and direct the respondent to promptly file a written answer in accordance with Rule 806.

- (4) Any person entitled, required, or called upon to attend a hearing before a Disciplinary Panel pursuant to paragraph (2)(b) above will be given reasonable notice, confirmed in writing, specifying the date, time, and place of the hearing, and the caption of the Disciplinary Proceedings. The SEF will require persons within its jurisdiction that are called as witnesses to appear at the hearing and produce evidence, and will make reasonable efforts to secure the presence of all other persons called as witnesses whose testimony would be relevant.
- (5) If, during any Disciplinary Proceedings, the Disciplinary Panel determines that a reasonable basis exists to believe that the respondent violated, or is about to violate, a Rule of the SEF or a provision of Applicable Law other than the violations alleged in the notice of charges, the Disciplinary Panel may consider those apparent violations after providing the respondent with an opportunity to answer the additional allegations in accordance with Rule 806. In connection with considering apparent violations pursuant to this paragraph (5), the Disciplinary Panel may request that the Compliance Department provide the Disciplinary Panel with any additional information.
- (6) The Disciplinary Panel may summarily impose sanctions on any Trading Privilege Holder~~Participant, Sponsored Access Participant~~ or other Person within the SEF's jurisdiction whose actions impede the progress of a hearing.
- (7) The SEF will arrange for any hearing conducted in connection with Disciplinary Proceedings to be recorded verbatim, or substantially verbatim, in a manner capable of accurate transcription, and a copy of such recordings shall become a part of the record of such proceedings. If the respondent requests a copy of all or portions of the recording of a hearing, the chairman of the Disciplinary Panel may, within his or her sole discretion, order the respondent to pay the costs for transcribing the recording of the hearing.
- (8) No interlocutory appeals of rulings of any Disciplinary Panel, or chairman of the Disciplinary Panel, are permitted.

813. Decision of Disciplinary Panel

- (1) Promptly following a hearing, the Disciplinary Panel will render a written decision based on the weight of the evidence contained in the record of the Disciplinary Proceedings. A decision by a majority of the Disciplinary Panel will constitute the decision of the Disciplinary Panel.
- (2) The SEF will serve a copy of the written decision on the respondent and the Compliance Department. The written decision will include the following information:
 - (a) The notice of charges or a summary of the charges;
 - (b) The answer, if any, or a summary of the answer;
 - (c) A summary of the evidence introduced at the hearing or, where appropriate, incorporation by reference of the investigation report;
 - (d) A statement of findings and conclusions with respect to each charge, and a complete explanation of the evidentiary and other bases for such findings and conclusions with respect to each charge;

- (e) An indication of each specific rule that the respondent was found to have violated; and
 - (f) A declaration of all sanctions imposed against the respondent, including the basis for such sanctions and the effective date of such sanctions.
- (3) Unless a timely notice of appeal is filed pursuant to Rule 816, the order of the Disciplinary Proceedings will become final upon the expiration of 20 days after the order is served on the respondent and a copy thereof is provided to the Compliance Department.

814. Sanctions

- (1) After notice and opportunity for hearing in accordance with these rules, the SEF will impose sanctions if a Trading Privilege Holder Participant, ~~Sponsored Access Participant~~ or other Person within the SEF's jurisdiction is found to have violated any Applicable Law. Disciplinary sanctions imposed by the SEF shall be commensurate with the violations committed, and shall be clearly sufficient to deter recidivism or similar violations by other market participants. In addition, the respondent's disciplinary history will be taken into account in determining the appropriate sanction.
- (2) The SEF may impose one or more of the following sanctions or remedies:
- (a) A warning letter, provided that no more than one warning letter may be issued to the same respondent found to have committed the same rule violation within a rolling twelve month period;
 - (b) Censure;
 - (c) Limitation on the Trading Privilege Holder's Participant's right to access all or part of the Trading System;
 - (d) Suspension of the Trading Privilege Holder's Participant's right to access all or part of the Trading System for a period not to exceed 12 months;
 - (e) Fine (subject to paragraph (3) below);
 - (f) Restitution or disgorgement;
 - (g) Expulsion or termination of a Trading Privilege Holder Participant, ~~Sponsored Access Participant~~, or other Person within the SEF's jurisdiction; or
 - (h) Any other sanction or remedy deemed to be appropriate.
- (3) The SEF may impose a fine of up to \$100,000 for each violation. Each Participant will be responsible for paying any fine or other amount imposed on, but not paid by, any Sponsored Access Participant or other agent or representative of such Participant.

815. Costs

A Disciplinary Panel may order a respondent who has been found to have violated the Rules to pay costs associated with the Disciplinary Proceedings, including costs that the Disciplinary Panel believes were unnecessarily caused by the respondent, in addition to any fine or other penalty which may be imposed on such respondent. Costs may include costs associated with the inquiry or investigation, the prosecution by the Compliance Department, legal and professional

assistance, the hearing, and administrative and other expenses incurred by the Disciplinary Panel.

816. Appeal From Disciplinary Panel Decision

- (1) Parties to a Disciplinary Proceeding may appeal the decision of the Disciplinary Panel within 20 days of receiving the order of the Disciplinary Proceedings by filing a notice of appeal with the Chief Compliance Officer. While an appeal is pending, the effect of the written decision issued by the Disciplinary Panel (including any sanctions, remedies, or costs imposed thereby) shall be suspended.
- (2) In a notice of appeal, the appellant must state in writing the grounds for appeal, including the findings of fact, conclusions, or sanctions to which the appellant objects. A written request for an appeal must specify the grounds for the appeal and the specific error or impropriety of the original decision. An appellant may appeal the written decision of a Disciplinary Panel on the grounds that (i) the decision was arbitrary, capricious, an abuse of discretion, or not in accordance with the Rules, or (ii) the decision exceeded the authority or jurisdiction of the Disciplinary Panel or the SEF.
- (3) The Chief Compliance Officer will forward copies of any notice of appeals received by him or her to all parties to the Disciplinary Proceedings in question other than the appellant. On or before the 20th day after filing a notice of appeal, the appellant must file with the Chief Compliance Officer and serve the Compliance Department a brief supporting the notice of appeal and documents supporting the brief.
- (4) Within 20 days after the last submission filed pursuant to paragraph (3) above, the Chief Compliance Officer shall appoint an Appeal Panel to consider and determine the appeal. The Appeal Panel shall be comprised of three individuals appointed by the Board as potential members of Appeal Panels, one of whom shall be appointed by the Chief Compliance Officer to serve as chairman of the Appeal Panel. The Appeal Panel must include at least one person who is qualified to serve as a Public Director under CFTC Regulations. No group or class of Trading Privilege Holders participants may dominate or exercise disproportionate influence on an Appeal Panel. An individual may not serve on an Appeal Panel if the individual has a relationship of a type described in Rule 208(1)(2) or was involved in the adjudication of any other stage of the same proceeding. The appeals proceeding shall be conducted before all members of the Appeal Panel.
- (5) Within ten days of being notified of the appointment of an Appeal Panel, either party may seek to disqualify any individual named to the Appeal Panel for the reasons listed in Rule 208(1)(2) or for any other reasonable grounds, by serving written notice on the Chief Compliance Officer. By not timely filing a request for disqualification, the parties will be deemed to have waived any objection to the composition of the Appeal Panel. The chief legal officer will decide the merits of any such objection in his or her sole discretion. Any such decision will be final and not subject to appeal.
- (6) The Appeal Panel, by a majority vote, shall determine whether sufficient grounds exist to hold a hearing on the –appeal. The Appeal Panel may only determine that sufficient grounds exist if there is a reasonable basis to conclude that the appellant may be able to demonstrate that the decision was arbitrary, capricious, an abuse of discretion, or not in accordance with the Rules, or that the decision exceeded the authority or jurisdiction of the Disciplinary Panel or the SEF. The Appeal Panel's determination shall be based solely upon the materials submitted by the appellant pursuant to paragraph (3). The Appeal Panel's determination of whether to hold a hearing on an appeal shall be final. If the Appeal Panel grants the appellant's request for a hearing, the appellee may file and

serve its brief in opposition not more than 20 days after the issuance of the determination of the Appeal Panel.

- (7) An Appeal Panel may hold a hearing to allow parties to present oral arguments. Any hearing will be conducted privately and confidentially unless the chairman of the Appeal Panel decides that the hearing, or any part of it, should be held in public after giving each appellant the opportunity to present its, his, or her views on holding a public hearing. Notwithstanding the confidentiality of hearings, an Appeal Panel may appoint individuals to attend any hearing and assist in the deliberations if such individuals agree to be subject to appropriate confidentiality agreements. In determining procedural and evidentiary matters, the Appeal Panel will not be bound by any evidentiary or procedural rules or law.
- (8) Except for good cause, the Appeal Panel will only consider on appeal the record before the Disciplinary Panel, the written exceptions filed by the parties, and the oral or written arguments of the parties. The Appeal Panel may only consider new evidence when it is satisfied that good cause exists as to why the evidence was not introduced during a prior stage of the Disciplinary Proceeding. In connection with any appeal, the Compliance Department will furnish to the Appeal Panel a transcript of the hearing, any exhibits introduced at the hearing, the notice of appeal, and briefs filed to support and oppose the appeal.
- (9) After completing its review, the Appeal Panel may affirm, modify, or reverse any order of Disciplinary Proceedings under appeal in whole or in part, including increasing, decreasing, or eliminating any sanction or remedy imposed; imposing any other sanction or remedy authorized by the Rules; or remanding the matter to the same or a different Disciplinary Panel for further Disciplinary Proceedings. The Appeal Panel may order a new hearing for good cause, or if the Appeal Panel deems it appropriate.
- (10) Promptly following the appeal proceeding, the Appeal Panel will issue a written decision and provide a copy to the parties. The written decision issued by the Appeal Panel must adhere to all the requirements of Rule 813(2), to the extent that a different conclusion is reached from that issued by the Disciplinary Panel. A decision by a majority of the Appeal Panel will constitute the decision of the Appeal Panel.
- (11) An Appeal Panel's written decision on appeal (including findings of fact and conclusions and the imposition of sanctions, remedies, and costs, and the effective date of any sanction, remedy, or cost) will be the final action of the SEF, and will not be subject to appeal within the SEF. Disciplinary sanctions imposed by the SEF shall be commensurate with the violations committed, and shall be clearly sufficient to deter recidivism or similar violations by other market participants. In addition, the respondent's disciplinary history will be taken into account in determining the appropriate sanction.

817. Summary Imposition of Fines Relating to Submission of Records

- (1) The SEF may fine a ~~Trading Privilege Holder Participant, Sponsored Access Participant~~ or any other Person subject to the SEF's jurisdiction using a summary fine schedule for a violation of Rules regarding timely submission of accurate records.
- (2) A warning letter may be issued for first-time violations, provided that no more than one warning letter may be issued per any rolling 12-month period for the same violation.

818. Summary Suspensions

- (1) Notwithstanding anything in the Rules to the contrary, the Chief Compliance Officer, or his or her designee, may summarily suspend a Participant's right to access the Trading System or the association of a Sponsored Access Participant, Intermediary or any other Person with a Participant, or take other summary action against any Trading Privilege Holder~~Participant, Sponsored Access Participant~~ or any Person subject to the SEF's jurisdiction, or suspend access to the Trading System of any other Person subject to the SEF's jurisdiction, if the SEF reasonably believes such immediate action is necessary to protect the best interest of the marketplace.
- (2) Whenever summary action pursuant to paragraph (1) above is proposed, the SEF will, if practicable, serve the party against whom the action is contemplated with written notice. If prior notice is not practicable, the SEF will give notice at the earliest possible opportunity to the respondent against whom the action is brought. The notice will be prepared by the Compliance Department, and such notice will state the action, briefly state the reasons for the action, and state the effective time, date, and duration of the action taken. The notice shall be served on the respondent in accordance with Rule 807.
- (3) The respondent shall be advised of its right to a hearing before a Disciplinary Panel pursuant to Rules 809-813, by filing a notice of intent with the Compliance Department within ten business days of service of notice. Filing of a notice of intent pursuant to this Rule shall not stay the Chief Compliance Officer's decision to deny access. The respondent shall have the right to be represented by legal counsel, or any other representative of its choosing and at its own expense.
- (4) Promptly but no later than 20 days after filing of a notice of intent, a Disciplinary Panel will conduct a hearing concerning the summary suspension. Promptly after such hearing, the Disciplinary Panel will render a written decision based on the weight of the evidence contained in the record of the proceeding. The decision of a majority of the Disciplinary Panel will be the decision of the Disciplinary Panel. The SEF will serve copies of the written decision of the Disciplinary Panel on the respondent and the Compliance Department. The written decision will include the following information:
 - (a) A description of, and reasons for, the summary action taken;
 - (b) A summary of the evidence produced at the hearing;
 - (c) A statement of findings of fact and conclusions;
 - (d) A determination that the summary action should be affirmed, modified, or reversed; and
 - (e) A declaration of any action to be taken pursuant to the determination, and the effective date and duration of such action.
- (5) Any decision of a Disciplinary Panel pursuant to this Rule 818 will be the final action of the SEF, and not subject to appeal within the SEF upon serving the respondent with a copy of the decision.

Any such suspension will not relieve such Person of its obligations under the Rules to perform any transactions entered into before the suspension, or for any SEF fees, costs, or charges incurred during the suspension. The SEF may discipline a suspended Person under this Chapter 8 for any violation of Applicable Law committed by it before, during, or after the suspension.
- (2) When the right of a Person to access the Trading System is terminated, all of its rights will terminate, except for the right of the Person in question to assert claims against others, as provided in the Rules. A terminated ~~Trading Privilege Holder Participant, Sponsored Access Participant~~ or other Person may only seek to reinstate its right to access the Trading System by filing ~~an~~ application for participation in the SEF. The SEF will not consider the application of a terminated Person if such Person has failed to appear at Disciplinary Proceedings without good cause, or has impeded the progress of Disciplinary Proceedings.
- (3) A suspended or terminated Person remains subject to the Rules and the jurisdiction of the SEF for acts and omissions prior to the suspension or termination, and must cooperate in any inquiry, investigation, Disciplinary Proceeding, appeal of Disciplinary Proceedings, summary suspension, or other summary action as if the suspended or terminated Person still had the right to access the Trading System.

820. Notice to the Respondent, the CFTC, and the Public

The SEF will provide written notice of Disciplinary Proceedings to the parties and the CFTC consistent with CFTC Regulations. Whenever the SEF suspends, expels, fines, or otherwise disciplines, or denies any Person access to the SEF, the SEF will make the public disclosures required by CFTC Regulations.

Chapter 9. Recordkeeping and Reporting

901. Recordkeeping Requirements

- (1) The SEF will capture and retain all transaction data, so as to be able to reconstruct all transactions within a reasonable period of time and to provide evidence of any Rule violations.
- (2) The SEF will retain records for all transactions executed on the SEF. This includes all Bids/Offers, whether accepted, unaccepted, canceled or modified, and all acceptances of Bids/Offers.
- (3) The SEF shall maintain an electronic transaction history database, which includes a history of all Bids/Offers and Transactions, and also includes:
 - (a) All data that are input into the order entry system;

 - (c) Timing and sequencing data adequate to reconstruct trading activity; and
 - (d) Identification of each Trading Privilege Holder ~~Participant or Sponsored Access Participant~~ to which fills are allocated.
- (4) The SEF will use the electronic transaction history database to reconstruct trading and identify possible Rule violations. The SEF will conduct an annual review of compliance with its audit trail and recordkeeping requirements and will identify Trading Privilege Holders ~~Participants and Sponsored Access Participants~~ that may have failed to comply with such requirements. Such Persons will be subject to investigation by the Compliance Department for possible disciplinary action. The annual review must include, but is not limited to, reviews of randomly selected samples of front-end audit trail data for order routing systems; a review of the process by which user identifications are assigned and user identification records are maintained; a review of usage patterns associated with user identifications to monitor for violations of user identification requirements; and reviews of account numbers and Customer Type Indicator Codes in transaction records to test for accuracy and improper use.

902. Block Trade Reporting

Trades executed in accordance with Rule ~~509~~510, unless otherwise exempted by a Rule, must comply with the following recordkeeping requirements:

- (1) At the time of execution, every Order received from a Trading Privilege Holder ~~Participant, Authorized Person, or Sponsored Access Participant~~ must be in the form of a written or electronic record and include an Order ticket meeting the requirements of Rule ~~504-505~~ and a timestamp reflecting the date and time that such Order was received.

The SEF may provide such Required Swap Reporting Data to Participants, Sponsored Access Participants and Authorized Persons no earlier than the time it transmits such information to a Swap Data Repository and in a form that does not disclose the identities, or otherwise facilitate identification, of the parties to the Swap.
- (2) The Reporting Counterparty for each Swap executed on the Trading System shall be established pursuant to CFTC Regulation 45.8. If both Counterparties are equal in the hierarchy set out in CFTC Regulation 45.8 (for example, both are swap dealers), the Reporting Counterparty for such Swap shall be determined in accordance with Dodd Frank Act - Swap Transaction Reporting Party Requirements (version July 15, 2013 or such successor version as may be adopted from time to time), published by the International Swaps and Derivatives Association Inc~~the Person that is the buyer or payer (or equivalent) on the Swap. With respect to currency Swaps, the buyer or payer (or equivalent) on such Swaps shall be deemed to be the buyer of the currency that is higher in alphabetical order determined based on currency code (for example, in a USD/BRL trade, the buyer of BRL would be the reporting counterparty because B is alphabetically higher than U).~~
- (3) The SEF shall from time to time designate a Swap Data Repository in respect of one or more Swaps in accordance with the Notice provisions of Rule ~~3083~~311.
- (4) Each Trading Privilege Holder~~Participant, Sponsored Access Participant~~ and Authorized Person:
